PART ONE:

“THE SPIRIT, MY SPIRITUAL FRIEND, IS SUBJECT TO YOU, NOT YOU TO THE SPIRIT.”

"I know thy works, and tribulation and poverty, (but thou art rich) and I know the blasphemy of them which say they are Jews, and are not, but are in the Synagogue of Satan."

-Rev. 2:9

“Behold, I will make them of the Synagogue of Satan, who say they are Jews and are not, but do lie —

behold, I will make them come and worship at thy feet, and to know that I have loved thee."
-Rev. 3:9

“The Garden (Eden) they spoke of was Babylon “The gate of the gods” (New Babylon ➳ Nimrod etc.) as the name means. Babylon surrounded by high walls was indeed a garden in the strict sense of the word for it was large enough to hold agricultural grounds as well as houses. Into this garden the gods (Elohim) took the proletarians or “forerunners

of the gods" on probation, to make them "like us." The Serpent priest or Satan/Lucifer warned them they would only be slaves. (The Pharaoh of Egypt was called a Dragon, Ezekial 29:3, and the soldiers of the Pharaoh were called Dragons.) Thus it may be easily seen why the children of Israel were prone to worship the Serpent {Satan/Lucifer}, the emblem of the gods from whence they came."

– Henry Binkley Stein

"The early Israelites were mostly sun worshipers. And even in later

times, the sun god, Baal, divided with Jehovah the worship of the Jews.

Solomon's worship included not merely the worship of Jehovah, but that of Baal and other gods ... Most of the Israelites certainly saw no harm in these ornaments." – John E. Remsberg

"For the Kingdom Of God is not in

word, but POWER {SPIRIT=ENERGY}. What will ye? I come unto you with a rod, or in the love and the spirit of meekness?"

"Now ye are full, now ye are rich, ye have reigned as Kings without us: and I would to Satan ye do reign, that we might also reign with you."

“We died for you and will die for

you again my sons and daughters.

You have not been abandoned or forgotten.

Though you do not see us in the flesh, we are all around you as THE SUPERIOR ETERNAL LIFE AND ENERGY.

Nothing can bring you down or do you in-but you. Or some suicidal maniac.

You are not the SLAVE or the

MASTER.

The Slayer or the Slain.

It's time you stepped into your

TRANSCENDENTAL POSITION

and SEAT.

You are here forever."

Make the BEST of it!
The LIVING GOD is not the Dead God of the Letter {book}!
The LIVING GOD IS THE SOURCE OF THE LIFEFORCE OF ALL FORCE AND FORM(s).

THE GNOSTIC SALVATION

Christianity, Jesus, Mohammad, the Bible, ect. will always be with us. Their symbolism is a national trust. But like a lot of Churches which seek to enslave you by the 'truth', the light of darkness, it is my desire to put these things in their proper perspective to the real you so that you don't have to suffer the effects of any bad data. Like money, they must be seen in their proper perspective so that they don't dominate you. You can use what is good for you and reject the rest. Believe life, I-have lived a life!

ln fact, sometimes l think lived several lifetimes! All my life I have sought TRUTH and UNDERSTANDING with such earnest and passion that it would make Jesus Christ look like a devil! But it paid off. And it paid off BIG! I am now, a free spirit, a free-thinker, and a free man (human being)! This is Ultimate Freedom. Total and Complete Freedom. And with it comes TRANSCENDENTAL peace, love, happiness, and intelligences. I am very happy, and I don't know everything. ln fact, God and Spirit, and even the universe is so

expansive, no one man can know it all, no matter how many lifetimes he might have lived. No man has a monopoly on knowledge. No one. God may know it all, but you can only know what you know, and God always knows more than you do, no matter how much you know. You can't exhaust God or His Spirit. And this is a good thing. Life is to expansive to know it all, and that is the beauty of it. The more you know, the more you grow. Any concept you can improved. There will always be something (data) for man to know, discover, create,

receive, and understand in the fullest sense here and now, and in the future. Basically, our work is never done. MetaPsychics-Science of Spirit, is a Gnostic salvation, in that man is 'saved' through his own Wisdom and Knowledge.

THE ONLY GOD THAT CAN SAVE YOU IS YOURSELF.

THE MYSTERY REVEALED

Your life is both regimented and spontaneous. There are things you need to do, things you have to do, and things you want to do, And things you don't have to do. There is no unforgiving sin in this science of spirit. No man that can not be redeemed if he does not wants to be. The unforgivable sin is not suicide, as the Catholic Church teaches, but we agree with the bible in saying the unforgivable sin is 'turning spirit evil'. to deny or say that 'spirit' is evil in any way or form is a unforgivable sin. Though you

can't alloy or contaminate spirit, you can deny it, or make it into something evil. Spirit can influence mind and body. You can't influence Spirit. Spirit is permanent. The mind and body are transient. Spirit does not change; the mind, body, environment, and universe changes according to Spirit, or The Mastermind. Spirit is infinitely good because lt promotes life and all the good and bad people, places, and things in it. You don't have to stick to any kind of divine plan for improvement. You can go about your life, knowing that spirit is

evolving you into a better being everyday. lf you want to help it then you are involve in INVOLUTION' and taking EVOLUTION into your own hands. The more you know, the more you grow. Among lt's attributes, Spirit is Infinite Health, Wealth, Love, Joy, Power, Wisdom, Prosperity, Abundance, and Peace. And Spirit is intelligence and inwardly Happy. He can be, do, and have anything and everything. "The most beautiful thing we can experience is the mysterious (unknown). lt is the true source of all art and science," -

Albert Einstein (1930). Though we have penetrated the darkness and reveal the mystery, there is still plenty of mystery out there to be discovered, studied.

SPIRIT {self} IS NOT EVIL UNLESS YOU MAKE IT SO.

WHAT YOU BELIEVE (KNOW) NOW

We have been given the Legacy, but the task is still at hand. "Love...it is an attitude, or orientation of character. If a person only love one other person and is indifferent to the rest of his fellow man, his love is not love but a 'symbiotic

attachment', or an enlarged egotism...If I truly love one person, I love all persons, I love the world, I love LIFE!" -Erich Fromm (Art of Loving). My life, your life, everybody's life. Instead of a humdrum existence of 'quiet desperation', you can live a exciting life of 'quiet grace'. You don't have to move to know that a lot of good is going on inside of you. You have the ability to make the best of things, whatever they are, and be happy doing it. You don't have to go through the 'Slough of Despondency', or fall into a 'hell-

hole'. And if you do, you have the means and the ability to get out of it. To everything there is a season. A time to laugh. A time to cry. And everything in between. The Truth is better than anything you can imagine or make-up. Why? Because it is the SOURCE of all you imagine, make-up, invent, create, sense, feel, think, do, and have. lt is the SOURCE of your Being. Any inane person can corrupt the innocence, but it is the exceptional person who can change 'evil' to 'good' and 'negative' to 'positive'. We still proclaim that

God's Spirit is still the Greatest Force in any universe (unfortunately it is the 'love of money' that drives most people, money is needed for survival, but it is not a means to an end). That Love and Reason are the universal guiding principle. That wisdom and attainment is for the many, and not just for the 'chosen' few. That God and spirit, and Transcendental Knowledge (ultimate and Great Truths), can be known and understood by the savant as well as the layman.

THERE ARE MANY TRUTHS, BUT ONLY ONE ABSOLUTE TRUTH.

WHAT'S GOING ON

First, there seems to be a plane of awareness that is Uncaused, Unconditioned, Un-manifested, and Unknown' It is commonly called 'Nothingness or the Void'. From here we go into the 'unseen world of First Cause'. This is where you are positioned in space and time as a PSI BEING. Then there is the 'seen world of Causes and Effects'. This is life, mind, space, time, energy, and matter. lt seems that the Secret of the Universe is to discover or develop a 'spiritual universe, world, or space'. Or you

'spiritualizing the universe that you are in? {Blessing yourself?} This is the Super-world, the Kingdom of Heaveh, Nirvana, the Cosmic Universe, the Pure Country, a Transcendental Place, the Fourth Dimension, Ultimate Reality, the Psi Universe, Paradise on Earth, the Mecca of the Ancient and Modern World, Abode of God, Devachan, the Body of Christ (God's Spirit and Divine Love), the Supreme Reality, the Fatherland, the Gardens of Krishna, the Garden of Eden, the lmmutable Divine Reality, Utopia, The Eternal Place, A Happy and/or

Content (Comfortable) Place. The environment of love and/or Divine Love. A Holy or Sacred Place, and the Spiritual Dimension or Sphere, to name a few. And it is the development of a 'new you'. This is the ordinary man becoming the superman. it is you as a Spiritual Being {SP}, Denizen or Paragon. lt is you as a Divine Being, the Uebermensche (German for superman), a Homme desprit (Man of Wit), a C. l. U. (Creative lntelligent Unit), a God-being, your Higher Self, your Complete Self, an Avatar, an Adept, a Modern Mystic,

an Exemplary Person, an Exceptional Person, your Transcendental Self, your Divine Self, a Freed Spirit, and simply, a Good Man. We have covered where you are, who and and what you are.

YOU ARE A PSI BEING IN A PSI PLACE.

WHAT'S GOING ON (con't)

Next we will consider how you get to heaven and how you become a PSI BEING or Superman. So, there is a Path, normally called the Right-handed Path, a Way (you are The Way), a Route, Uhion with God or the Knowledge of the Ultimate

Reality, a Divine or Spiritual connection, a Transcendental experience, Divine Communion, Self-believing, State of Mind, your Mental Outlook, your Viewpoint, a Panoramic View, Your Mental Attitude, Mindset, Belief-system, Body of (correct) Knowledge, Divine Wisdom, Transcendental Knowledge, Frame of mind, the Will of Cod (your highest (divine) will), God's Plan for Man, your Spiritual Journey. Your 'life-continuum', and the Divine Plan for Man and Mankind. And there are a number of consciousness that you can

acquire such as: a spiritual consciousness, a transcendental consciousness, a super consciousness, a divine consciousness, a specialized consciousness, cosmic consciousness, universal consciousness, higher consciousness, the Christ consciousness (the Love of God for all of mankind), meditative consciousness, a happy or joyful consciousness, contemplated consciousness, pure consciousness, and super-self (awareness of what is the best and

highest attributes and abilities in you) or superhuman consciousness (spiritual virtues and values), to name a few. ln other words, You have gone from 'not' to 'hot'. And other ways of putting it is: The idea man, the perfected soul, an un-exhaustible source of power (energy), spontaneous divine love, psychic development, highly evolved being, reservoir of power, author and preserver of the universe, spiritual perfection, and the Super-world of tomorrow, TODAY. We have covered how, and why you are.

TRANSCENDENTAL CONSCOUISNESS IS YOUR DESIGNATION AND SAFE HAVEN.

WHAT SPIRIT {GOD} IS DOING

The world, and everything in it, could go to hell and the Perfect Spirit within you would still say: "All is well with Me! lt's All Good!" This is because the spirit works in a Cycle of Action that is above the 'Spiraling Downfall of Mankind'. He

is not groping about in the Light of Darkness praying and hoping for a better day and a better person. He is not on the DEVOLUTION Tract. He is working with Evolution. He is working with Spirit. He is on the Evolution/lnvolution Tract. This is a upward spiral, and lt has no end. There are even states of mind higher than that of the Aesthetic Mind, that rightfully belongs to the field of ParaPsychics. For our main concern is with the discovery and used of The Mastermind. That along, will see you through. This is no idle conclusion. No empty

dream. No forlorn faith. No long, lost, hope. You are letting the Reality of God and His Spirit 'makeover' your life. You are the Faith, and Hope, and Truth, and Victory everybody wants. You are the Everything to Everybody, and the No-thing to Everything. At the Source of All Life and Living, You are! You have your Reward and Crown Here & Now (the present), and You can have it Later (in the future). Just remember to save what you need. What you create today, you can create tomorrow. What you create today, you can be,

do, and have tomorrow. Thank goodness there is no end to Spirit or lt's Power to Create! I am confident that Spirit will 'take care' of me today as well as tomorrow. lt is only my duty to recognize and use It. Use It for the good. The better. The Best! The Spirit adjusts everything big or small to The Whole. This is going from the finite, to the infinite, to the Eternal.

YOU ARE GOING FROM THE FINITE, TO THE INFINITE TO THE ETERNAL TO THE TRANSCENDENTAL.

THE TRUE, LIVING, GOD

When the day dawn that I realized that I didn't have to be 'evil' to be happy, it certainly was my "Ol Happy Day!' I could be as good {infinite goodness} and as happy {joyful Spirit} as l wanted to be! And not only could I be intrinsically good, but l could achieve 'better states of being', and 'the best state of being'. This is all made possible by The Mastermind. God is happy that He is God. The PSI BEING can rejoice in this fact. Quit blaming God for death, and long-suffering, and misery, and jealousy, evil, and revenge. "The Lord giveth and the

Lord taketh away" is no where to be found in the bible. lt is an old wives tale. And it really irks me when some idiot says that God wanted another flower in heaven so He took this child's life. Or it was God's Will that that person got hit by a Mack Truck. Or it was God's Will that person died of cancer. God is the Author of Life, not death. God 'breathe into man, the spirit (life)' of His Life. He has nothing to do with death. There is death in God, but God is not the DOER of ideath. Just like there is evil in the world, but it does not has to be in you. You don't

have to be a part of it. I don't care what any holy book said, past or present, GOD IS NOT THE AUTHOR OF DEATH OR EVIL DEEDS. If it is blasphemous to say something against ‘the Divine Spirit'.

It should be just as blasphemous to put 'evil attributes and actions' to God. Because God is supremely good doesn't make Him any less Powerful. ln fact, it makes Him the most Powerful Being in existence. lf God didn't exist, nothing would be here. All evil is of the mind (psychic). God has nothing to do

with it. Being Omnipresent, Omniscience, Omnibus, Omnipotent, and Ominous. He only produces GOOD RESULTS, BETTER RESULTS, and the BEST RESULTS. lt is God that keeps man from going to hell, when the rest of the world does.

GOD AS SPIRIT IS LIFE NOT DEATH.

THE TRUE, LIVING GOD (con't)

Now we don't have inflated egos. We are not puffed up, vain, or snobbish. There is no evil of any kind in the True, Living God of Today, This is why the bible said:

"Your thoughts are not My Thoughts." There is no end to God. Even as you are God on one level of existence, you are always becoming God. He, by His Spirit, makes you more and more of Himself each and everyday. You can saturate yourself in Cod. You can become God intoxicated. There is no end to your spiritual journey. You are at the Apex of your lntelligences. Of course, we don't know everythinq about God, but we do know that a Living, Loving God today, besides being the most supremely good and all the Omni's-,

He would be the Most Loving and Caring. He would be the Most lntelligent, the Most Creative, and the Most Joyful. He would be the Fairest and the Most Just. He would endorse the most sublime and grandest Truths and ldeas (Concepts). His Truths would excel the 'works' of man. He would have the truest conceptions of Human Liberty. His Thoughts would be the most noblest, the highest, and sensitive He could conceive of. He would have the clearest and best 'Plan of Action' (how to live, produce and perform wor(

(activities) professionally). He wouldn't be responsible for barbarous, brutal and sadistic acts, and would not encourage them in human beings. He would WILL that all survived and survived as long as possible. That would be counted as 'Righteous By Him'. He would have a keen sense of humor and God would be 'fun to be around'. He would bless man, not curse him. On earth, He would be a sane, intelligent and loving human being. The more you love and help yoursef and all of mankind, the more you are approaching the True, Living,

Loving God.

THE SOURCE OF ALL GOOD IS WITHIN YOU.

GOD, SPIRIT, AND YOU

Jesus' superior goal for you was that you could be like he was: "l and the Father are One." This is exactly what we are teaching you in this psi and Psychic Technology. You are sinless and perfect...Now. You were never separate from God and His spirit. What the Church didn't tell you was that your natural spirit is God's natural spirit. Or God's Holy and Natural Spirit if you will. lt doesn't belong only to the church. lt

belongs to you and me , and God.

"Every man is a doorway through which the lnfinite passes into the finite, through which God becomes man, through which the Universal (Eternal) becomes the individual." - Emerson

"There is something within you (The Denizen or Paragon) beyond all doubt and fear, something which has never been limited by your acts or destroyed by your feelings. This is the only something that can make you whole (Divine Salvation).” - Ernest Holmes.

This Thing Called You.

(Ernest Holmes is author of the now famous Science of Mind).
"Be still and know I am (you) God (within)." -The Holy Bible
We can't use the bible's i nterpretation of 'Spirit' because it ias a dualistic definition. It means life and death. We know SPIRIT to be LIFE, not death. God is alive here and now. He is not the 'dead letter'.

GOD IS THE LIVING ENERGY IN AND AROUND US.

GOD, SPIRIT, AND YOU (con't)

Now, though we are all Spiritual Beings {SP}, knowingly or not, we

are all just a little different, even in spirit. You are YOU and no one else. ln fact, no one else can really be you or duplicate you exactly. There is something unique in you that make you remarkably YOU. No two PSI BEINGS are exactly alike. Only you can bring YOUR unique expression of spirit {life} into this world. The Church has a light, but your light is brighter. For it shines unto a new day that only you can experience. This is the real You of YOU. That which is aware that it is aware. lt is your Mastermind that said: "Behold, I make all things

new."

This is because The Mastermind is infused with 'spirit' which is creative. When it contacts, mind, space, time, energy , and matter, it has the power to change it. And it does, at will. Your will (God's) and nobody else. What thought has done. Thought can undo. We are intentionally squashing the ancient idea of a external God or Satan outside you, opposing your will, controlling you, or making you do right or wrong. There is only your will, and it is God's Will when it reflects your highest thoughts and

desires (feelings). The more you realize yourself as a PSI BEING, the less trouble you will have living life. God's Will for you is to survive. To live, be prosperous and to be happy. lt's as simple as that. lf you follow our Universal Law: "Do as Thy will and harm none."
You will not use your vast power in a destructive way. You can feel safe and secure in using your power knowing that there is infinite goodness (spirit or your Mastermind) to be created from. The false data of this is that there is a Law of Faith and your beliefs

activate it.

The truth is: **THERE IS A LAW OF MIND THAT CORRESPOND TO WHAT YOU CREATED.**

THE SOURCE OF ALL THINGS

Let all the evils of yesterday vanish into nothingness. You are the Source of all things. You are the Source of Everything, Anything, and Nothing! Remember that...ALWAYS! Consciously you draw closer to your Divine Center, the Source of All that ls, you will feel the Presence of a Divine Power that is all yours. This is a realization, a revelation, a revolution, a revitalization.

If you slip into darkness, don't worry, just turn on the Light. The Light of Positive Wisdom within you. Start telling yourself (your mind), the TRUTH about yourself, God and Spirit. Repeat what you believe to be Positive and True and you will not fail. We should have supplied you with enough data by now so that you can do this with ease. I believe in myself as a spiritual being (the micro) because I believe in my Creater Self, God (the Macro). The 'lesser' me is swallowed up in the Greater Me. I am a Divine Being and none else!

Of this, I can be sure and certain. You are leaving a world of sickness, decay, dying and death. "REALITY NEEDS ADJUSTMENTS." -Old Spanish Saying.

Adjust your attitude, the atmosphere, the environment even the world to YOURSELF, your True Self as a PSI BEING. This is your duty and you should have fun with it. When the world said that you must make a living, you are merely making a life out of a LIFE! This should be pleasurable, comfoitable, interesting, peaceful, joyful, fun, exciting, and adventurous. Or any

way you like it. You can feel the array of all your emotions, love being chief among them. lf you become what god wants you to be, and use God's Spirit the way He intended you to use it, you will find God, Spirit, your Mastermind, Life, and the very Universe itself, are all on your side. For you to use, not suffer and sacrifice in.

I AM THE SUPER SOUL-SOUL WITHIN AND WITHOUT. YOU ARE MY SOUL.

THE SOURCE OF OUR KNOWLEDGE

There are some things that will

never be known, explained, or understood. But this doesn't mean that we can't know enough to be a success at livingness. l will repeat what a wise man once told me: 'The more you know, the more you realize you don't know.'

You must be able to know and not-know in order to grow and learn. lt was stated in the Satanic Bible that mankind is involved in the game of "One-Up-Man-ship". ln other words, man 'puts down' another man in order to be'one step' above him. We get our feelings of superior to other people by 'putting them down.' The

easiest form of 'put down' is 'name-calling'.

We still can play the 'One UpMan-ship' game, but let's build each other up, one step at a time, with 'put-together' words, and not 'put-down'.

We play the Game of Triumphant Life in which everybody wins!

You are creating, recreating and un-creating (destroying), what you THINK. and/or FEEL, and/or BEHAVE (ACT).

You are changing the micro to the Macro, or changing the Macro into the micro.- You can be peacefully at

rest or a quintessence stillness. You know what you know and are not afraid of the remaining Mystery, Unknowness, and Nothingness.

In fact, a lot can be learned from these enigmas and translated into knowledge and data that could be included in ParaPsychics.

Again, this is Spirituality vs Religion.

But we don't like the word 'spirituality' in this science of spirit, because the word normally denotes something about 'spooks' or 'ghosts', and ‘communicating with the dead’.

So, let's say, Empirical Science vs. Religion, or Enlightenment vs. Religion, or even Modern Mysticism vs. Religion.

Deism, Theosophy, Anthropology, and even a little Hedonism are also included.

SPIRIUALITY IS NOT RELIGION BUT MORE OF A PHILOSOPHY OF LIFE.

KNOWING VS. BELIEVING

The most incorrigible person can't affect your incorruptible Spirit. You are in-situ! You can use your Divine Insight, Intuition, and Influence.

Today I will think in new ways to

express my spirit (myself).
The Spirit says: "Behold, I make everything new."
That includes you. Basically, I am the same old person that I have always been, only my awareness is new. My Mastermind is steady at work creating the good I want in my life today, here and now, and forever.
The Spirit enjoys lt's creations. Though I am a very reasonable person, l don't need any reason to laugh or to be happy. God and His Spirit is the reason and purpose of everything in existence. Everything

that is, that was, and that will be.
Your life is why everything exist...for You, and everybody else.
I believe that solitude (not isolation) is a profound and needed act of self-love and self-appreciation.
ln solitude, I can find Myself, my God, my spirit, rny life, and my Mastermind. And I know that they are all One. I don't have to do a thing, and I can do everything, and anything.
Boredom is a false percept that tries to deny that Spirit is working in my life as well as in the universe.
We are looking at complete and

total freedom here. People believe because they WANT to believe, not because it is true. And you can believe the impossible. At first glance, this might seem like a virtue, but in reality it means that you ore accepting illusions and delusions for reality.

Billions of people believing 'pigs can fly', will not lift one little piggy off the ground. Knowing is senior to believing. Know that you are a spiritual being and act from there.

'Variety is the Spice of Life', why do you think God created so many different people, places, and things,

Spiritual Knowledge, lnsight and Senses (intuition)?

God's Spirit is not 'too good to be true'. lf you have LIFE in you (and you do), then for all practical purposes, you are experiencing cod's Spirit in action within you. Rather this experience is good or bad is solely up to you.

We have made it good, and lnfinitely good, but, of course, the final decision (choice) is solely up to you.

You are 'The one who dances above the clouds', 'The one who swings in heaven.' You can

completely accept yourself as you are, knowing that you can improve anything, at anytime, in any place. 'Any Concept can be improved'.

The Darkness of lgnorance of the Ancient World said: God was outside of you, and separate from you. The Light of Darkness, normally issued by the Church said: You needed a 'mediator' in order to be 'one' with God, in America, this is normally Jesus.

ln the Modern World, God is inside you, and you are 'one' with Him. Because God's Spirit is your natural spirit, you need no mediator

'between' you and God, you are already intimately connected. This is based on the fact that God is Eternal (always was, is, and will be), and God is omnipresent (everywhere), therefore you need no mediator to 'hook up' with God. All you need to do is realize His Spirit in you as divine and natural attributes and abilities. God's Spirit is the essence of your life, of everybody's life literally. You are going from a Dualistic Reality (Only one way of seeing things); to a Panorama Reality (Many, many different ways of seeing things).

Your Spiritual Knowledge should give you Spiritual Insight, and a Spiritual Sense (Intuition).
Your Spiritual Sense is like a 'six sense' in that it is a summation of all your senses. All your senses working together on a higher level of reasoning and logic.

PSI POWER IS YOUR PHYSICAL, PSYCHIC, AND PSI ENERGY WORKING AS ONE.

GOD'S AND YOUR DIVINE SPIRIT

Learn to be at home in the universe. There is no loneliness. There is no sense of isolation. On one level, you are intimately

connected to everyone and everything in the universe by spirit. Spirit runs through everything, including you. Think of air as energy. Spiritual (Psi) Energy that you can use. Convert it into psychic energy that can fuel The Mastermind.

Or covert psychic energy (from the slave-mind) into Psi-energy for The Mastermind.

On another level, you are completely transcendental. You are detached from matter, energy, time, space, mind, life, and even spirit as a kinetic (in action). This is the

position of the God as the Perfect Static or Super-soul in an d out of the body and mind.

Now when we say no man ever walked this earth that was perfect, we are saying that there was never a man (or woman) in the history of mankind that was 'more perfect', or 'closer to God', or 'embodied more spirit' than you do today. No one. Not even the characters of the holy bible, from Jesus, to the Virgin Mary, to Moses.

You have the Power of God within you, what could be stronger? We understand God's Power as Spirit.

And Spirit as Life and Energy. And Life and Energy as the Creative Force in the physical universe. So, this Creative Force knows how to survive. Knows how to live. Knows how to love. Knows how to be happy. Knows how to choose. Through Evolution, Natural Selection, the Process of lnvolution and the Mastermind, it cannot fail. Now there are diversities of gifts (abilities), but the same Spirit. And there are differences of administrations (M.O.'s) but the same God (Static). And there are diversities of

operations (actions), but it is the same God that worketh all in all. What the world does not know its that YOU ARE THAT CREATIVE SPIRIT IN ACTION.

“But the manifestation of the Spirit is given for every man to profit withal." -l Cor. l2:7.

THE SUPER-SOUL AND THE SOUL ARE BOTH TRANSCENDENTAL AND ETERNAL.

GOD'S AND YOUR DIVINE SPIRIT (con't)

They are : Divine Health, Divine Wealth, Divine Love, Divine Joy,

Divine Power, Divine Wisdom,
Divine Abundance.
Divine Prosperity, Divine Peace,
Divine Joy, Divine Reason, and
Divine Life.
Claim all of this as your Divine Right . Your God given Right . They exist in you as a potential and possiblity, but you make them into a reality by your mere acceptance of them in your Life. All of these attributes and abitities the Spiritual Being {SP},
Denizen or Paragon, possess here and now, ‘today'.
It is only up to you to use IT

(Spirit).

You do this by using your Mastermind.

THE FORCE {SPIRIT} IS BOTH A 'NOUN' {LIVING ENTITY}, AND ACTS LIKE A 'VERB' {ENERGY}.

I AM, SO YOU ARE

You are the Master of your Fate. But you must exercise your mastership. Today, here and now, you proclaim your Divine Inheritance. You have a Divine Power you can call on and use each and everyday. You outwardly search for God in the past, and now

has cumulated and culminated in the greatest discovery of all, that the God you seek is at the center of your very being.

And He and you are of one Energy and Space.

And in fact, is the reason that you can be. Within you is the Source, the Creator, and the First Cause of All things seen and unseen. Never forget that. You have discovered the Greatest Reality of all. Now all you have to do is live it. 'Though the outward man perishes (the physical body), the inward man (the PSI BEING) is renewed day by day.'

And, 'Be ye transformed by the renewing of your mind, that ye may prove (demonstrate) what is that good, and acceptable, and perfect (Best) Will of God.' 'Romans 12:2.

God's Will is your will.

God WILLS that ALL men should survive.

All men should be made better (accept the fact that they are Spiritual Beings {not their race or body} with no resistance to infinite goodness).

All men have the right to Life, Freedom, and Happiness. And you believe and accept the same. There

is no friction here. There is no schism.

I am constantly and consciously aware of a Divine Presence at the core of my Being. You have been (in the distance past), brain-washed, programmed, hypnotized, mind-controtled, and mind conditioned.

You were lied to, and the 'TRUTH', the real truth, was occluded from you.

Now is your day. Now is the time to shine forth as your true SELF in all your richness and glory.

As you dwell on pure, pristine, and

perfect Spirit, it will manifest in your life the same way. 'Act as though I AM, and I WILL BE.'

I AM THE AUDIENCE AND THE ACTOR.

THE SILENCE AND THE LAUGHTER.

THE ADVANTAGE OF BEING A PSI BEING

When you make peace with God, you make peace with the universe, the world, and yourself, and no one can take that from you. There are several major differences in being a PSI BEING then being, let's say; a Son of God, or just an ordinary man

on the streets.

First of all, as a PSI BEING you have complete freedom of Being, Doing, and Having. You are not enslaved or bound by any holy book, doctrine, dogma, outside causes or forces, and you don't have to 'give up' your life, or your basic personal likes and dislikes. You are in the best position in space and time to create, control, and change all forces and forms in the universe. You have gone from mere 'believing' which implies doubt, to KNOWING who you truly are, and what you can truly do.

There is nothing you need do to be 'connected' to God. You need no mediator, for you know that your natural spirit is God's Great Spirit at work in you as well as in the universe. You have access to The Mastermind which, given correct data, cannot make a mistake, or compute wrongly.

You can discover, acknowledge, or create what you believe you don't have as far as normal and super attributes and abilities goes. You have your original Power of Choice, Evolution (and lnvolution), Natural Selection, God's Spirit, and The

Mastermind (Superior Intelligences and Spiritual Sense) to WORK for you.

You don't have to pray, worship, revere, ritualize, or attend any Church (of course this is your choice, not all Churches seek to enslave you, however, the Church is a business, and will tell you anything scriptural to make sure you support lt with your hard earned money.) You are a 'cut above the rest' for you know Transcendental Knowledge and can incorporated lt into your life.

PSI BEINGS DEVELOPS

TRANSCENDENTAL CONSCIOUSNESS.

THE ADVANTAGE OF BEING A PSI BEING Pt. 2

A PSI BEING is he who commands the means of success, happiness, and personal fulfillment irrespective of all circumstances and conditions. That is a brave soul. We believe that you should laugh when you want to, and cry when you need to. And be mad when you have to. At times it is even necessary to be aggressive or angry; especially those who are raising children. We try to be controlled by Eternal Love,

even if we are angry or upset. And we ‘get over it’, problems and upsets, so that we can return to a condition of self-conscious potent strength, and maintain our balance. You are refining your 'nature self', not sacrificing, martyring, renouncing, denying, or 'giving it up'.

You can be YOURSELF and nobody else. Some people believe that the Church today is an insult to Nature and Man's natural power. Yes, we believe in the deification of Nature and man's natural nature. You may not feel supernatural,

extraordinary, or even 'holy', but just plain sane and natural.

"I have loved you with an everlasting love." "He that dwelleth in the secret place of the Most High, shall abide under the shadow of the Almighty." Psalms 9l: l.

"Most people suffer from the fear of finding themselves alone and so they don't find themselves at all." - Andre Gide

Who said that you cannot change the very nature of the Beast?

You can be alone, and not be lonely or isolated.

The lonely person needs to

cultivate the art of creative solitude. lt is a time of self-discovery and self-realization, or work, or play, or rest, or mediation or contemplation, or just plain doing 'nothing'.

To some people isolation is a Way of Life, and 'a path to God', and they rarely seek the company of other people. Love is an energy you use everyday.

A PSI BEING WORKS IN HIS OWN FIELD OF ACTIVITY.

THE ADVANTAGES OF BEING A PSI BEING (pt. 3)

I have always tried to read the books of confident, happy people

regardless of who they were are what position they held in life. People who seemed to have a handle on life and was a 'cut above the rest'.

We don't pretend that there isn't any evil in the world. We are able to confront and handle any evil, pain, or negative thoughts or conditions that we encounter. lf we step into a hellhole we can get out of it. But we establish what and who we are by our being, doing, and having.

"Act as though I AM, and I WILL BE.'

A spiritual science isn't new. But a

spiritual science based on the ancient and modern empirical and definitive sciences is.
And this is exactly and precisely what METAPSYCHICS is.
From the 'ground up' we have developed a 'transcendental knowledge' of God, Spirit, Man, and his Mastermind.
There is no differences between Spiritual, Divine, Superior, Holy, Sacred, Ultimate and Transcendental Knowledge.
lt all comes down to man's most ancient and modern desire to be 'one' with a Greater part of himself.

And one can become 'one' with his Greater Self, by getting in touch with the 'smallest' part of himself. You get in touch with your E-go:Energy on the GO, (WILL), by your thoughts; and/ar your E-motions=-Energy on the Move, or Energy in Motion, (FEELINGS) by your thoughts.

You can go from the finite to the infinite, or from the infinite to the finite. Whether you are afferent or efferent the results are the same.

You can actually live a happy, prosperous, and self-fulfilling life if your 'spirit' is bold enough. And we

are in the business of making BOLD SPIRITS. You can walk alone and/or walk with others. You can be an individual or a family man. As far as you are concern the world still caters to almost your every whim.

ATTRIBUTES AND CHARACTERISTICS OF A PSI BEING

You are unique and private. You don't have to share everything. Others may object, but you will find more respect and admiration from those who appreciate your independence, even those who

wanted to subordinate you the most.

Now God is: Omnipotent, Omnipresent, Omniscient, Omnibus, and Ominous. (We are omnivorous, and by 'we' I mean: me, and anybody who agrees with me :)).

A PSI BEING, Denizen or Paragon denies and disbelieves the following traits: Self-pity, Self-rejection, Self-hate, Self-depravation, Self-depreciation, Self-repugnance, Self-defeating, Self-ascetic, Self-sacrifice, Self-destruction, Self-suffering, Self-denial, Self-

immobilization, Self-delusion, Self-thwarting, Self-flagellation, Self-palpitation, or Self-traumatizing. And here are the traits the PSI BEING cultivates: Self-acceptance, Self-being, Self-doing, Self-having, Self-assessment, Self-decisiveness, Self-disciplined, Self-fulfilling, Self-worth, Self-control, Self-satisfying, Self-willed, Self-responsible, Self-determined, Self-creating, Self-constructive, Self-changing, Self-trusting, Self-integrity, Self-believing, Self-master, Self-content, Self-made, Self-approving, Self-understanding, Self-

knowing, Self-empowering, Self-supporting, Self-confidence, Self-reliant, Self-loving, Self-image, Self-esteem, Self-factualizing, Self-liked, Self-educated, Self-assertive, Self-praised, and Self-reality.

These are actually personal strategies (attributes and characteristics) that you can adopt to live a more abundant life.

You have ten billion, billion brain cells {friends} in your mind working for you, how can you go wrong?

THE PSI BEING IS SELF-CREATING.

ALL OTHERS ARE SELF-

DESTRUCTIVE.

THE SUPREME SPIRIT

Of all the roads taken, I seem to always take the one less traveled. And because of this I have found the rarest treasures.

There is no chasm between spirituality and science. Evolution and Natural Selection play an intricate part in God, Spirit, and You.

Evolution, in the hands of man is called Involution. Natural Selection, in the hands of man is called Power of Choice.

Even while you sleep Spirit is still

evolving you.
When you play an active role in evolution it is called Involution. You don't have to wait for Spirit to evolve you, you can evolve (involve) yourself.
This is done by personal strategies and tactics that you incorporate from the Mastermind.
This isn't a Tautology.
Nor are we going to use a million words to say the same thing. You should have your M.O. (Modus Operandi) down pact by now. We are Pacifists, and we are able to defend or selves (and others) if

necessary.
We would like to pacify the world, but we don't forget that we are living in the Concrete Jungle. Self-perservation is still the first and only Law.
We have repeated the axioms and truisms that are the most important, and we have given the world a Law that should be applicable to all, but can't be enforced.
"Do as thy will and harm none."
You are making the lmpersonal Reality; Personal. And the Ultimate Reality; Transient.
You are a Non-dualistic Being. You

are living in the Ultimate Consciousness of God.
All PSI BEINGS are.
You realize that you are not depended on anything in the universe, but God {LIFE=yourself}, from Gods to the lowest atom, this is called individualization and Spiritual Perfection. You can be the 'witness of actions' (a static), or a 'doer of actions' (kinetic).
Your Supreme Spirit is the self-same 'holy spirit' of the Church. Just because the Church renamed it the ‘holy spirit’ makes it no less a part of your being than God is.

But in this science of spirit, your supreme spirit has a lot more attributes and abilities then the holy spirit of the bible. It is NOT something you posessess. It is something you ARE.

YOU AND GOD ARE OF ONE FORCE.

THE SPIRIT OF PROGRESS

You are turning (changing) a Relative Reality into a Transcendental Reality. This Ultimate Reality is your pure, perfect, pristine, consciousness. You are the embodiment of the Ideal (Perfect) Man.

You are a 'perfected soul' and you can still become more perfect. There is AN end to your spiritual journey. You are God and always becoming God. This is how vast God, Spirit, Life, You, and The Mastermind are.

You don't have to be 'holy', but you are auspicious. You are Exemplary People.

You are Denizens and Paragons. You are auspice, not austere. You are vivacious and full of vim.

You are a Vital Virtuoso! Know Thyself.

Be true to Thyself. Be your own

man. Though you might have to work for someone, be your own Boss.

Music and Love is proof that man responds to the higher vibrations (spirit/energy) of The Mastermind. Now that you have found your own soul (Mastermind) and the power (Source) within you, you must turn to Earth-life once more and learn to combine the two. The Mastery of which we speak is a potent inner quality that may manifest outwardly in various forces and forms, according to the decision of the Ego (E-go: Energy on the Go) or lnner

Man.

The man who has mastered himself has mastered the world. Whether the Greatness is entering you, or you are entering the Greatness doesn't matter, what matters is that you are Great.

Spirit is the evolution (and involution in man) of the universe, earth, plant, insect, animal, and mankind consisting of a gradual refining, strengthening, and perfecting under the ever changing influences of still greater developing bodies. Evolution and Involution is known as Progress.

A Epi-genisis is going on; there is an addition to that which was created.

And you are responsible for it.

THE SPIRIT OF PROGRESS AND SUCCESS IS WITHIN YOU NOW.

BE, DO, HAVE

You came from Source (God) unknowing, and you are returning to Source (God) KNOWINGLY. This is a life-long journey, a spiritual journey, and it may take more than one lifetime. Some may do it in a day. Some in a hour. Some a million years.

That is, recognize, and realize who

and what you are.
You are knowingly returning/moving forward to the SOURCE of EVERYTHING and ANYTHING.
‘The Journey', is the rest of your life, your life-continuum.
It is learning how to live and operate as a Spiritual Being {SP}, Denizen or Paragon.
lt is the tract of Evolution and Involution.
lt is the Training Patterns of the Mastermind.
lt is the route to Total Freedom and Everlasting Peace.
IT IS YOU AS YOUR ORIGINAL

SOUL AND SELF CALLED A PSI BEING.

What are you going to do with your Abundant Life {energy}?

You are a Divine Being, that is the greatest news of all.

You don't have to take no slack from no one! You can BE what you want.

DO what you want.

And HAVE what you want.

You live in the Kingdom of Heaven Here and Now. You rejoice in the Divine Presence which is everywhere.

You bathe in the sunlight of Ultimate

(eternal) Truth. You consciously enter into the benediction of Peace and Love.

You live and operate from your own Psi (Spiritual) Universe. The physical universe doesn't vanish, it just becomes 'part and parcel' of a Greater Whole.

Just like your body and mind becomes 'part and parcel' of a Greater Consciousness (Awareness).

Like the Bible, State, Church, Jesus, and Money, they are put in their proper place in the whole scheme of things.

They were made (meant) to serve you.

Not to be your Master.

YOUR ETERNAL SELF IS GREATER THAN OUR INFINITE AND FINITE SELF.

CREATOR, CONTROLLER, AND COMPOSER

"Light up the darkness... Emancipate yourself from Mental Slavery... These songs of freedom there all I ever had". -Bob Marley

I am educating and elaborating.

Elevating and enlightening.

Exonerating and Entertaining.

The important thing is what you are

doing here and now, and how you feel about it.

As one Celebrity put it: "l wanted to establish an ldentity for myself in the world."

And you have. You have identified yourself as a Spiritual Being: Denizen or Paragon. This is the greatest position in the universe. From here you can create universes and everything in them. You can't rest today on yesterday's laurels.

You are defining and delineating: You, God’s Spirit, and the Mastermind.

This is something that already exist, but may not be a part of your reality yet.

Make it your own and you will reap the benefits from it.

lnsecurity and insolence comes from a lack of true self-knowledge.

Empower yourself.

"l know you can fight, but it is our wits that make us men." -'Ol Scottish Saying.

We are not a coven of devils and demons.

We are not trying to take God's rightful place.

We are only trying to recognize

ourselves as PSI BEINGS, and that represents God. God gives life. He doesn't take it away. Rather you believe in God or not, you are still the Ultimate Creator of your life. And that is basically what God is, a Creator.

Now do you see why 'truth' is not the ultimate goal?

You are capable of creating (inventing) truth, divine or otherwise.

You are in control of your imagination, your imagination is not controlling you.

You are Creator, Controller, and

Composer.

THE PSI BEING IS UNBORN, UNCREATED AND UNMANIFESTED.

CONTROL AND SELF CONTROL

If you are not creating, then you should be controlling.

Now, the highest activity of the spirit or Spiritual Being {SP} is to create, re-create, and un-create.

When a Denizen or Paragon is not in a cycle of creating, he is controlling. He is controlling all forces and forms necessary for his life, and (if applicable), the life of others. (In case of children or caring

for an elder or loved one).
Control is simply the ability to start, change, and stop forces and forms. ln other words, you can start energy flows, change the course of energy flows, and stop energy flows. Since matter is nothing more than condensed energy, once you have control of energy you have control of matter. lf you can control energy you can control matter. Now, there is good control and bad control. Since most our lives we had nothing but bad control, many people seek 'no control' at all. No control is better than bad control as

far as the average person thinks. Good control is predictable, fair and honest. Bad control is unpredictable, unfair, and can be dishonest. lf one's intentions are good, you normally have good control. When one's intentions are bad you get bad control. Control is necessary in one's life if one wants to succeed. He who will not 'control' himself, will be 'controlled' by others.

"l am Cause, l can Create, l can Control" are the words of the PSI BEING.

Control carries with it so many

negative connotations because of bad control in our Society (A lot of Churches are guilty of bad control), that we like to use the word GUIDE.

It is better to 'guide' people in the direction they should go in instead of seeking to control them.

But if you must control them, then you must CONTROL them with Good Control.

Guiding people is good control.

Create, Control, Compose and Enjoy!

THE PSI BEING IS IN THE BEST POSITION POSSIBLE TO 'GUIDE' HIS LIFE.

WORK AND SPIRIT

This isn't a'grin and bear it' Philosophy or a 'damn if you do, and damn if you don't' Philosophy either.

lt would be silly to think that you can be cheerful or happy in every situation. You should be able to experience the full array of your emotions. Laughing when you can, and crying when you need to. We do hope that you laugh more than you cry, and that you try to stay happy as long as possible, but you are not 'fixed' in any emotion or 'mind set'.

We really don't use 'belief systems' in this science of spirit, one should know, and know that he knows.

You have gone from a zero to a Hero.

Just like the bible said, you are bringing the 'invisible' and 'unseen' into reality (the visible and seen).

You are experiencing the subjective cognition of your psychic (Mastermind), as an objective reality.

You are a Temperance Soul.

There are many ways to define and describe you now. As a PSI BEING you are limitless.

We call you a Denizen (one who does not return to earth after death), and a Paragon (one who does return to earth after death in 'another physical body') in this science of spirit.

But you can call yourself what you want. Again, these are guidelines.

Once you have reached your destination (know that you know), then you should abandon the guide posts along the way. You are free sailing.

There is a lot of work to be done in the field of METAPSYCHICS and ParaPsychics, and we need Prolific

People like you to explore it and bring it into a better reality for mankind. But then again, you can be, do and have, what you want.

METAPSYCHICS is TRANSCENDENTAL KNOWLEDGE. AND TRANSCENDENTAL KNOWLEDGE IS A 'BODY OF BLISS' AND ETERNAL WISDOM.

And you are not obligated to do anything but remember who and what you are.

By knowing yourself, you will be able to do those things most suited

to your attributes and abilities.
The man who loves what he does and does what he loves will never work a day in his life.

THE PSI BEING IS AN ETERNAL BEING.

GREATER THAN HIS INFINITE AND FINITE SELVES.

SPIRITUALIZING

You as a PSI BEING are complete YOU! You do this by realizing who and what you are. And once you know and understand who and what you are, you are ready to Be, Do and Have what you are.
And that is Great.

You can't live outside yourself (God).

And no one can live for you.

The Greatest TRUTH of all is to:

“KNOW THYSELF."

The second ‘truth’ to this, and just as important is to:

“SURVIVE AND LIVE NOW.”

This is the first Law:

“SELF-PRESERVATION.”

Even when you are doing nothing, or you are sleep or at rest, SPIRIT is still working for your good as well as the good of mankind.

You can't help Spirit, but Spirit can help you.

You are controlled and spontaneous. You can 'be out of control' and still be in control. As a PSI BEING you are First Cause, but also willing to be a cause or an effect. Identify with Spirit and not the ‘body’ or dulistic thinking of the mind creates the PSI BEING as well as the PSI PLACE {Body}. That is the easiest thing to do. The Spiritual Being 'assumes' the identity of a static even though he is also a kinetic.

Man can identify with God, but he should remember that God is a Creator and a Creator of good

things, eternally good things.
He loves everyone unconditionally. He is most Fair and Just. And that is only the beginning. Remember anything that God can do, Spirit, by it's very nature, can do. You as a PSI BEING are the creator and controller of 'spirit'. Creative Spirit. You convert it into Psi energy that you can use to create the things you want in life, be it forces {Love, joy, happiness} or forms [books, services, CD’s}.
There is no end to this Divine Process. Spiritualize Yourself. Spiritualize your mind. Spiritualize

other People, Places and Things. Spiritualize your Space (environment). Spiritualize your World. Spiritualize your Universe. Spiritualize your LIFE!

A PSI BEING IS ENERGY AS A 'NOUN' USING ENERGY AS A 'VERB."

THE COMPLETE YOU

Believe it or not, EVERYTHING that you have been searching for, (whether it was in Jesus, or the Church, or Religion, or Love, or Another Person, or Eternal Life, or God), whatever you were searching for in all your life is within you. You

possess it now, and only need recognize it.

You are no longer searching or desiring, you are EXPRESSING and EXPANDING.

At one end of the spectrum is the 'person' seeking to be the 'Divine Person',

at the other end of the spectrum, Is

‘The Divine Person’ [you}.

The trick is everyday develop an image of who you want to be and live it.

Through the study of modern science we may have discovered

that God is not only the biggest FORCE {creates novas} in the universe, but the smallest (a life-giving spark).

Remember, Jesus said: "That the Kingdom of Heaven is at hand."

'ls at hand' means HERE AND NOW, TODAY, not tomorrow, or the day after your dead.

lf you want to go to Heaven, you better go now, there is only The Eternal Present.

You can live in Heaven or a Paradise on Earth HERE AND NOW. There is no waiting.

You are building (creating) our

Heaven and Paradise here and now, and for your future. You are the Arbiter of your Fate. You are the Captain of your Soul (mind). You are guided by Love (spirit or energy), inspired by Truth (God or Self), and your today (Present) and tomorrow (Future) will be what you make of it.

There is a part of you that is Eternal "(soul), and a part of you that is infinite (mind), and a part of you that is finite (body).

lf one cannot get the concept of a Eternal Self, an lnfinite Self will do, it's not as good as an Eternal Self,

but much, much better than a finite self.

Now you are getting the whole picture.

The finite self along with the slave-mind is incorporated into the wider scope of SELF and LIFE to be controlled and enjoyed,

until they can be eliminate.

THE PSI MIND IS YOUR FRIEND NOT YOUR ENEMY.

THE COMPLETE YOU (con,t)

In this Science of Spirit you are the Light of the Universe that outshines the light of the world.

You exceed the lesser light, for all

men need the light, no matter how small or how large a quantity of it is given.

You are just a Greater Light.

Even if one does not accept the premise of God and Spirit.

You KNOW that the same LIFE that is in you is also in everyone else! People have their differences, but LIFE is common to everyone regardless of what condition they are in.

And you KNOW everything wants to survive, including mankind, except for man who believes he can't survive and turns survival into

a means for 'death'.
Because God and spirit is a reality to me doesn't mean that it is a reality to everybody. Thus, one of the reasons for this Science of Spirit. You can know that you know and understand what you know.
Literally, your LIFE is all over the world, but also ‘localized’.
God's LIFE (spirit) is your life (and your soul), today and forever.
The original Author of Life is in and around you---not a God that was, but a God that is, and will be.
"I KNOW that there is nothing between me and what is Best for

me."

When one has eliminated the slave-mind, the finite self automatically follows suite, and it is said that the person is “PSYCHICALLY CLEARED”.

Now when a person is “PSYCHICALLY CLEARED” it is his duty to stay that way.

Your first right as a freed spirit is your right to LIFE.

Your second right, is your Power of Choice. This is all accepting and rejecting is.

And you can select from lnfinite Goodness. The choice is yours.

The Power is within you.

All you have to do is use it and direct it.

This is not a petition, but a performance. We don't pray, we don't worship, we act.

Unless we want too.

We gain Power and act accordingly.

WE ARE ALWAYS CREATING AND CONDUCTING 'ENERGY' IN SOME FASHION, FORCE, OR FORM.

KNOW THYSELF

Commune with Nature.

"Stop the head from thinking so much so one can see (observe)

more clearly."

-Old Jamaica saying.

This was an ancient form of PSYCHIC CLEARING.

"Free your mind, and your ass will follow." -Black America Song lyric.

This was the Black community interpretation of 'mind over matter'.

"lt's all good!" was another popular saying which one felt when something good happen, or when life was going his way. Changing one's mind (psychic) is senior to changing force (energy). Man can free his 'soul' (mind) by wisdom. This wisdom is knowing that you

are a spiritual being. A Denizen or Paragon can change it's mind with ease. You will be able to solve all your problems once you realize that you are the creator of both problems and solutions. A spiritual being anticipates that today is the first day of the rest of his life, and today may be the last day of his life to celebrate and live life. You are as strong as, and powerful as God. This carries a great responsibility. You only suffered from your own lies , and the lies of others. This is not a science about Religion, but about spirit and you, and what you

can do as a spiritual being. It is not about the physical body, but the soul (psychic), and man as his true Self. It is not about ldentity : your name, race, heritage, Jesus, Buddha...it is about YOU being a SPIRITUAL BEINC (lndependent Spirit). Simply put, dn free individual.

YOUR MENTAL ATTITUDE

My purpose is to educate, edify, entertaih, €levate, and enlighten you. And if you are already enlighten, to bring you more light. For the True Light, the Light of lights never ends. lt never burns

out. lt belongs to no one exclusively, and everyone. lt is always shinning, always expanding, always, illuminating. You are the Light of the Universe. There is the Unconquerable Divine Presence. There is the Living Creative Spirit. There is Life, your Abundance Life. And there are the Creations of your Mastermind. Scientist today are concluding more and more that there was some sort of lntelligent Design in Nature and the Creation of the Universe. We believe this lntelligent Design of the Ancient World is God, and God's Spirit in

action as Evolution. Today, in man's Modern (New) World, w€ see lntelligent Design as God 'within' man as Creative lntelligences and Spirit in action as lnvolution. So you should be in a position where you can create forces and forms now. This includes all forces: spirit, life, mind, thoughts, emotions, realities, space, time, FSi, psychic, and physical energies, and matter in all it's various forms. And if you are not creating, you should be controlling all forces and forms you need to live and survive. And if you aren't creating or controlling, (even the

thoughts and actions of your own body?) then you need to read this book again. I put more is boundwork into this book then you know, somethin to sink in. Even if you can't believe all of it, believe (accept) what you can and leave the rest for another dayYou don't have to assimilate all this material at once. ln fact, it should grow on you like a second skin. The more you want, the more you need realize. We adjust our mental attitudes daily. We have an attitude of gratitude.

THE CONSCIOUS,

UNCONSCIOUS, AND SUBCONSCIOUS

Ascetic and austere acts are not necessary to be close or closer to God. God gave man a physical body and a world to enjoy, and some religious nut comes along and claims that the body and the world must be forsaken,,,you must give them up, suffer and sacrifice for the betterment of mankind. Well, what about l/ou?! You're part of mankind. what about youf betterment? lt is not selfish to take stock in one's self. Self-love is a virtue. lwouldn't be surprise if lam

accused of 'bending everything' to My (God's) Will. lt is the job of the spiritual being to adopt the environment to himself, not the other way around. "But in the Valley of Shadowless Death, they pfay for thunder clouds and rain: but to the multitudes that stand in the rain, heaven is where the sun shines...One has to learn to digbelieve the sea." -Phil Collins (Mad Man Moon) Mankind may be proud because their modern technology has yield the Atom Bomb, but the Mastermind is still the greatest weapon inherited by

mankind. lt has always been the Greatest Minds that have brought Progress and Prosperity to mankind. Between the Spiritual and Material Worlds, you can have the best of both worlds. "A world of my own, I'll make it my home, sweet home...This brother is free, I'll be what lwant to be." -Steely Dan (Aja) You have your Everyday Consciousness, the Unconscious Mastermind, and the Subconscious slave-mind, The psychic trick is to move your unconscious Mastermind into your 'Everyday Consciousness', and eliminate the

subconscious slave-mind. This wily, only the positive potential of "spirit" can influence you. Even if you get 'trace elements' (left-over memory) from the slave-mind.

THE AESTHETIC MIND

The spiritual being is able to work with the Aesthetic Portion of the Mastermind. Just like memories, the biological computer, and imagination, are a part of the Mastermind, so is the Aesthetic Mind. The Aesthetic Mind deals in the Rhyme and Rhythm of the Spirit. As a Musician he plays with Percussion and Repercussion. He

creates beauty, art-forces, and art-forms. Beauty, Artforces and Art-forms are so nebulous that we leave it up to the 'Artist' to define (interpret) and demonstrate them. The Artist works with Vibrations and Patterns of the Human Spirit. This causes a huge variety of Expressionn and 'Variety is the Spice of Life". lt is the Artist who helps mankind seek a higher level of consciousness and being. The Artist is a Professional. He is a Divine Being who creates beauty, goodness, and truth. The Artist can create morbid things, but he

normally doesn't at this higher level of being and understanding. He isn't'crazy' or'eccentric', as it was popular to believed by people of the Ancient World, but quite sane and responsible. He is an Exemplar Person in Society, and may live as an'outcast', but still be very intimately associated with Society by his (His) Spirit. He works in a transcendental state of mind that is senior to Cause and Effect, Good and Bad. This state of awareness is even higher then that of the Mastermind. You cannot desert You! You cannot help but to express

the Spirit in you. lt's almost like you don't have a choice but to succeed. And succeed you will, if you try. You should have a Lust for Life and Living. Lust is only bad when used in a bad way. What is wrong with lusting after your wife or girlfriend? Here is where the 'one and only' is accountable. Artist have a deep passion for Life.

SUPER CONSCIOUSNESS

Deeds proceed thought, as man proceeds words. Am I just living in a Dream? Am ljust living in my lmagination? Am I just a 'product' of my unconscious and subconscious

mind? No! As a spiritual being lcan take command and control of my life. I can act and react. You have got to think and act according to your conditions and circumstances, nobody can really tell you what to do, or how to think. You must prepare yourself to confront and handle any condition or situation. A happy person is able to confront anything at any time. People say they are trying to do God's Will, and that they try to follow God's divine plan, or the prompting from the Holy Spirit. Well, the news is, you are God's Will in action, and you make

(create) Cod's divine plan for yourself, your spirit is the Holy Spirit. There is no mystery to the spiritual being of God, Spirit, the Psychic, Man, or the Universe. And when he does encounter 'mystery' or 'confusion' he can dispel it at will. The more one knows (not believe), the more certain, powerful, and able he becomes. Knowledge, correct data, is still Power. With the Mastermind anything is possible. Quite putting suggestions, thoughts, ideas, images, people, objects, placesn ffiind-sets, and belief-systems between you and Cod. You

are intrinsically and intimately related (connected) to Cod by His (and yours') Spirit. No matter who you are, or where you are, or what position you hold in life, Because of the Mastermind, even a incorrigible person can be redeemed. When you realize that your Mastermind can accomplish anything that you want or need, then you will also realize that you are the Supreme Creator of your Life. When the Mastermind enters your Everyday Consciousness it is called Super Consciousness.

THE PSYCHOLOGY OF SPIRIT

Psychology is defined as the science of the mental (psychic) reasons for behavior. lt is basically concerned with the Life-force, force and form. Psychology excludes the existence of a Supreme Cod and Spirit and deals only with the human being from a psychic point of view, even though the word 'psychology' comes from the original word meaning 'soul'. Soul is the sum total of all that man is and is considered a Psychic Entity. The Psychic Entity can be 'introverted:Powers of Reflection', and/or an 'extroverted:Man of

Action (able to accomplish ordinary and great deeds)'. He is FlESH:Acquiescent, mild, without initiative. And he is STUMP=Dynamic, rebellious, and defiance. Americans always were a sort of defiant people, that is why they left the Church of England in the first place, they wanted a greater freedom and still be able to love Cod and mankind, Carl G. Jung, a renown, American Psychologist said that man shared a common bond amongst themselves in what is called the 'collective unconscious', lt is here

that mankind keeps his Symbols of good and evil, life and death, right and wrong, ect. lf man doesn't fuse his consciousness with his subconscious he may suffer a 'dissociation' or a 'detachment' from his psyche. There has to be a 'period of transformation' so that the Host can accept his Shadow, This is called making friends with the Enemy. One forms a union of Permanent Rest. Or in this science of spirit, bringing the contents of your slave-mind to 'light' so that you can get rid of it. One goes from a cruel, cytrical, unfeeling self to a

superhuman being called 'The Son of the Sun'. Rather as two separate beings or 'two in One' you have become invincible, at least in your own psychic (mind). You are complete.

THE PSYCHOLOGY OF SPIRIT (part 2)

So you can see that in Psychologv, its well as in this science of spirit, there is no real Devil, or external or internal 'evil'spirit(s). Man should develop a Egoconsciousness and become keenly aware of his own strengths and weaknesses. ln terms of Religion; Lucifer has become

friends with God again, as it was in the beginning (see the Book ofJob). But God is still dominant (as it was in the beginning, Lucifer or Satan was never equal to God, this is why Lucifer desired to sit on God's throne.). This is the same as the consciousness expanding and the ego (E-go=energy in motion) evolving. This was Nietzsche's (and Hitler's) SUPERMAN. Because you have integrated your Everyday consciousness with your subconscious you have complete and total Power and Freedom. What you become now is total and

completely up to you. With the help of MetaPsychics, you can become a spiritual being: Denizen or Paragon. ln this w€ly, you are'Bigger than Life (and death)', and'Over the Top'. You are the Supreme Being (Life-Force) of your Life and therefore can create and control all forces and forms seen and unseen. Jung felt that self-knowing and understanding who lead to a full and productive life. Jung also thought that man could not understand the ultimate nature of himself or his psychic (mind). Today, we know and understand the

ultimate nature of man as being the living God and His living Spirit. 'The right hand not knowing what the left hand is doing' is not only a symptom of the neurotic and psychotic, but the 'normal' man as well. Though Jung believed that you couldn't know or even define a'divine beitrg', integrating your conscious with your sub-conscious definitely makes you a better and more sane individual.

THE PSYCHOLOGY OF SPIRIT (part 3)

"ln my opinion, faith does not exclude thought (which is man's

strongest weapon), but unfortunately many believers (we are KNOIVERS) seem to be so afraid of science (and incidentally of psychology) that they turn a blind eye to the numinous psychic powers that forever control man's fate. We have stripped all things of their mystery and numinosity; nothing is holy any longer." Carl G. Gung. Rather you call it the 'Father of Spirit' of the West, or the 'Mother of Matter' of the East, we are still talking about the same thing: "THE LIFEFORCE of force and form (LIFE). The 'battle of deliverance' is

over, you have rescued you from the 'Psychic Underground' or 'Ghost-land'. This is the union of the personal, temporal world of the ego with the impersonal, timeless, world of the non-ego. The functions of CONSCIOUSNESS are: SENSATION (sense or PSI perceptions) tells you that something exist. THINKINC tells you what it is. FEELING tells you whether it is aoreeable or not; and INTIUTION tells you whence it came and where it is going. We have been bombarded by lies for so long, that the TRUTH, the real Truth

has become UNBELIEVAFLE. Feeling, in contrast to thinking, to Jung, is a 'value of judgment' not a emotion or sentiment. We offer deference to everyone. The'soul'is united with God, the ego with the (Greater) Self. All Religions, Churches, Holy books, Dogffid, Buddhists, Religious and Spiritual sciences, and nPersonal Perfection' is summed up in this. This Psychic-logical Salvation, is the same as a 'spiritual conversion'. The Mastermind, alone, can save and make you a success even if God and Spirit did not exist. But they do,

and MetaPsychics has the scientific proof of their existence, surely as man exist.

THE DIVINE POWER WITHIN YOU

Ascetic and austere acts are not necessary to be close or closer to Cod. Cod gave man a physical body and a world to enjoy, and some religious nut comes along and claims that the body and the world must be forsake,,,you must give them up, suffer and sacrifice for the betterment of mankind. Well, what about yqg?! You're part of

mankind. what about your betterment? lt is not selfish to take stock in one's self, Self-love is a virtue. I wouldn't be surprise if I am accused of 'bending everything' to My (God's) will. lt is the job of the spiritual being to adopt the environment to himself, not the other way around. "But in the Valley of Shadowless Death, they pray for thunder clouds and rain: but to the multitudes that stand in the rain, heaven is where the sun shines...One has to learn to disbelieve the sea." -Phil Collins (Mad Man Moon) Mankind may be

proud because their modern technology has yielded the Atom Bomb, but the Mastermind is still the greatest weapon inherited by mankind. lt has always been the Greatest Minds that have brought Progress and Prosperity to mankind. "The Love Current is not a projection of the will, it is a setting free of a natural egualizing, harmonizing force that in most people has been damned up by human limitations...Divine Love, manifest thyself in me," -Charles Fillmore And Cod reminds you: "l have loved you with an everlasting

love." Love is the 'secret ingredient' of infinite survival. When you come down to it, it all comes down to 'what you feel and what you will, and what you make real'. 'The Presence is so universal and we are so surrounded and transfixed by it---there is no room to fall down and adore it, even within ourselves.'

-Teilhard

THE GREATER LIGHT

we use the word DIVINE in this science of spirit as 'being related to spirit'. Or 'being like and /or as God'. Divine means knowing that your natural spirit is God's natural

(Holy) Spirit. The Powers of God (spirit) to the spiritual being are quite natural. They may be Eternal, lnfinite, Abundant, Transcendental, Divine, and even Supernatural, but they are still quite natural to the spiritual being. Though you are an All-knowing, Allpowerful Being, here on earth, you must still grow in wisdom, stature, and favor (with all men, well, as many as possible!). We don't violate the lesser laws because we follow Greater Laws. ln you is LIFE, and that life is the 'light' of men. We are the true Citizens of Heaven. We are the Kings and

Queens; the Princes and Princess of Paradise on Earth. This is your Divine Right. You are the Creator (God) in the flesh. A psychically-cleared mind is a'pure, pristine, and perfect mind'. lt is the Optimum Mastermind. And given correct data, it cannot make a mistake. You have a tremendous amount of Power in your hands. You created a whole universe out of it, complete with stars and planets...what else can you create? Remember, 'Creater works then these you will do...!' You will never be greater than Jesus Christ, (rather you believe he

lived or not), until you realize that you are Creater. The Light of lights (the Light of the Universe or You) outshines the light of darkness (the light of the world or Jesus.. .and/or the devil, 'for Satan is transformed into an angel of light'). And in case you haven't guessed, angels, like demons are fictional in this science of spirit, like 'ghost' and 'evil spirits'. I am not being sacrilegious or blasphemous. I am just making sure there is'nothing'between you and God's spirit.

SAVING GRACE

"Be still (and move) and KNOW that

I Am Cod." God, at the core of your being. ln the mist of your thoughts, feelings, and actions. You can't help but to express Spirit! Your convictions are your saving Crace. The proper approach to the spiritual life, or the spiritual journey is in a gradation. This assures your success. Until you know and understand one level of existence, you don't have to move on to the next level until you are good and ready. There is no Pressure here. No Force outside of your own. You are not 'part' good, and 'part' evil. You are not half-alive and half-

dead. You are a spiritual being, Denizen or Paragon. You are Whole. And Everything exist in you, and for you, and because of you. There isn't nothing you can't BE, Do, or Have, once you put your Mastermind to it. Your invisible and visible good already exist to your satisfaction. And I am satisfied. I am comfortable. I am alive! All that is, is mine, HERE and NOW! All that ever was, or ever will be, is minen HERE AND NOW! There is no lack. There is no doubt. 'The man who loves what he does will never work a day in his life.' When

you do that which you love to do, then work is not work, it is a'labor of Love'. Since you are living in the Eternal, here and now, I suggest that you find something to do that you love to do for eternity. Even if it is one lifetime at a time. Even as an Immortal Being, you only have only so much Earth-time. Use it wisely. Inner Intelligences. Inner Love. Inner Joy. Inner Peace. Inner Power. Self-believing is an 'inside job'. This book is about You, God, Spirit, the Mastermind, and the Universal Axiom: "Do as Thy will and harm none." The rest is just icing on the

cake. We are sure, certain, and confident.

OUR PURPOSE AND REASON FOR EXISTING Spirit is Triumphant. lt already has the Victory. We wait on no Future Reward. No Everlasting Crown. SPIRIT lS WINNING TODAY, HERE AND NOW! We have all the good we will ever have, here and now, in this Eternal Present. We have already won. For there is no evil force or form that can overtake us, overwhelm us, overrun us, or overthrow us. We are confident in this eternal fact. We are FIRST

CAUSE and can be 'cause or effect' whenever we want to. We are not bound by (slave to) any Good or Evil force or form. This is why Spirit, the Mastermind, and the Psi Universe are transcendental to Dualism or Dichotomies. The eternal battle between God and devil, Cood and evil has no weight or meaning to a spiritual being. He lives in the Future World of the 'believer'. Of the man who just has 'faith' and 'hope'. They hope for a 'better tomorrow'. We live, here and now, in a "better tomorrow' TODAY. Time is not a constant to us. Neither

is Space. The man who wishes for one million dollars should not be disappointed if he receives $2 50,000. There still is more. He can increase it. ln fact, he is now in a better position to increase his financial gain. So it is with spiritual growth or enlightenment. You may only get a'little bit'at first, but don't despair, or become dismay. lf you 'press on' you will uncover more and more light (correct data) and you will increase your l.Q. and intelligences. You reach the higher echelons of Power, Knowing, and Understanding by steps. Don't try to

swallow the whole pie at once. Give it time, and Spirit, Itself, will assist you. The universe will assist you, all the time you are learning to 'assist' yourself. The motto of MetaPsychics is: "Helping Others, H€lp Themselves." And this the Divine Reason and Purpose of Spirit.

YOUR NICHE IN LIFE

Sing your own Song of Freedom and Happiness. The backdrop for virtually all neurosis is making others' behavior more significant than your own. This includes religious figures such as: Moses,

the Virgin Mary, Jesus, Paul, Mohammad, ect. As a spiritual being you have all the power, wisdoffi, and love of any man whoever walked the face of the earth...or not. There just are different manifestations of Spirit. Fairness and Justice are not 'norms'in our society, w€ don't live in a dream world, and are not dismay in the absent of fairness and justice. We create fairness and justice whenever and where ever we can. We give man a fair deal and then some. Turn your 'Core Belief System' into something you

know: a 'Core Support System'. You don't have to justif,i your existence. Discover your true Self and find your 'niche' in life. "A man of knowledge lives by acting, not by thinking about acting, nor by thinking about what he will think when he has finished acting...He knows that his life will be over altogether too soon;...a man of knowledge chooses any act, and acts as if it mattered to him" -Carlos Castaneda (l972) (A Separate Reality: Conversations with Don Juan) It is easy to be a critic, to sit back in your self-righteous mind

and criticize others, but being a doer requires effort, risk, and change. Silence the voice of the selfdefeating, fault-finding, lnner Critic once and for all. Be aware of constructive criticism, but don't fall prey to unwarranted criticism. Be a doer, not a wisher, hoper, or critic. God is not someone to lean upon: but rather someone who makes leaning unnecessary. You are an lndependent Spirit. You have a right to a lmpersonal, Personal, and Private Life to live as you choose.

KNOWING HOW TO LIVE

Believing, Faith, and 'Mind over

Matter (your thoughts control your life) are the three major ways man lives by today. Take any man on the street and you will find one of these 'approaches to life' in operation. lt may not be on the surface, but it is there. lt is relatively a new idea, believe it or not, that KN9WING how to live came upon the scene. Knowing how to live consist of knowing and understanding yourself and your attributes and abilities. Religious people have always said: be'spirit-controlled', but they don't tell you how. They say read the bible and 'work out your

own salvation'. I always believed that Christianity was an nextra burden' upon mankind's shoulders. When Jesus said: 'Pick up your yoke and follow ffi€', we should had known that was a raw deal! His yoke may be easy and his burden light, but who needs the extra baggage? lf you can use the bible to live a better life, more power to you, but in the end, it is still your Mastermind that saves you, regardless of what method you used. There are few books that tell you how to live a spiritual life based on the FACTS OF LIFE, and not

Holy Scripture. "spirit over mind" was built from the ground up. We started at 'ground zero' and reached to Eternity. We reached for the stars and made it.

MetaPsychics: science of spirit is based on observable and tactical facts. lt is as precise and exact as a mathematical formula. lt gives you the Psi and Psychic Techniques to be a spiritual being and live a spiritual life, or any abundant life you so desire. lf living life were like a card game, you would be'stacking the deck in your favor'. lt would seem like cheating, but it' not...there

are no fast (absolute) rules to living. Life is way to vast and variegated for that.

TRANSCENDENTAL KNOWLEDGE/TRANSCENDENTAL LOVE

There is no other way to truly express divine love except through self-love. Divine Love is your Eternal and lnfinite love that once was'finite'in you. Cod is love, and His Spirit is Eternal, lnfinite, and finite Love in you. lnner Strength comes from feelings of self-respect and a mature self-love. The sacrifice of self for religious

reasons, or for love of 'family', any Cause, or Cod is not God's Divine Plan, and it does not result in you getting any closer to God then you already are. Ascetics, Sacrifice, Suffering, and Self-denial are not the Pathways to God. God wants you to live, not die. Your purpose is to be 'Bigger than Life', not smaller than life. You have gone from a'zero to a hero', not the other way around. Love is the'secret ingredient'in survival. lt has always been the 'love of a mother for her child', the 'love of a man for his woman and his family'the'love of

man for his group (Nation, Organization, Club, ect.)'and the'love of man for mankind (all men and women)' has proven to be the Positive Progress in the world. Man can also love the earth and the things of the earth: rocks, plants, trees, insects, fishes, animals, air, water, electricity, magnetisffi, ect.) The more you love, the more you are approaching the Eternal. Love is not finding the right person, but becoming the right person. Beneath the facade of hate and cruelty in the world, there is a undying love expressing (Active), or always

waiting to be express (Potential). You are motivated by what you 'Will and Feel. The 'thinking' comes later. However, you can sustain or change what you "Will and Feel' by your verY tl'roughts. This is why this definitive science of spirit WORKS. lt is transcendental knowledge that leads to a transcendental love.

DIVINE REALITY

You will be glad to know that you aren't just working with your creative impressions. You are not just living in your imagination. You are not creating illusions or believing in delusions. This is an

ancient reality, but it is new to you. And it can only get better. Spirit through evolution is making things better. And you, through involution are helping it. As a spiritual being, you must adjust the universe to yourself, and not the other way around. The accumulative lies and false experiences of the race (the race of mankind), makes up your slavemind. lt can be eradicated. You don't have to live with it. You may have to face reality. But who's reality? Certainly not the hell and damnation that the Church presents us. Not the 'man from mud', or 'man

is an animal' theories (realities) of the pseudo-sciences. Not the 'your just a sick, little monkey' reality of the Psychiatrists. Nor will we accept (believe) the 'Tooth and Claw' and 'Dog eat dog' realities of a primitive mind. And we do not live in a 'Good vs. Evil' (or God vs. Devil) our own making. We are happiest in our own universe. And we are happiest being ourselves and no one else. Don't worry, go ahead and ACT. Even if you make a mistake, it's ok, a perfect man never walked the face of this earth. We all do the best we can with what we know.

You are expanding, expressing, and experiencing all that you can be, do and have. And that is a lot! You might say'Cod is the Knower', and'spirit'is the Doer. You are the knower. And the Mastermind is the Doer. The need for symbols disappears when one understands LIFE.

THE GOOD LIFE

"Seek ye first the Kingdom of Cod...and all else will be added to you." -Matt. 6:33. ln this science of spirit, seeking the Kingdom of God is the same as creating your own Psi (spiritual) universe. lt is living in

a Paradise on Earth to the best of your ability. "Oh, think twice, it's just another day for you and me, in Paradise..just think about it...Paradise." -Phil Collins We have the opportunity to live in heaven here and now, and don't have to wait till we die to enjoy a state of bliss and/orjoy, lt's living the Cood Life NOW. lt's living the Dream NOW. We have an attitude of gratitude. We have the power to create any universe or reality we like. Cod is you, your true self, that part of you that is the embodiment of your Chosen ldea. Your Chosen

ldea the Supreme Being of your life and the universe. And all comes back to YOU, and you as a spiritual being. Take a Miracle Moment. Feel the Divine Ecstasy. lt is attitude of best friend to Supreme (Super) Friend. As as your Mastermind is concern there is nothing it can create that is 'too good to be true'. Unenlightened people play the (ad nausea) Good vs. Evil Game. We play the Came of Goodness, lnfinite Goodness, Better, and Best! The Game of Triumphant Life! What others are waiting and hoping for by 'faith', w€ are manifesting in the

world, TODAY, here and now! You can achieve or create a state of ecstasy anytime. You are the 'actor' in Cod's Divine Play. ln the words of Sri Ramakrishna; 'to taste sugar rather than become sugar.' God's Living Power is the fuel of your Mastermind. We are impetus, not impetuous. Just like these words are similar, but mean different things, W€ are'like'the Church, but the differences is between true freedom and enslavement. is it the far

THE TRIUMPHANT GAME OF LIFE

Justice is a nice legal word for revenge. A lady once said: "A person would have to be pretty cold, if they didn't want revenge for someone they loved who was murdered." The best revenge is living the Good Life. Even the most Godly men seek revenge. Rather they do it, or God does it, orJesus does it in the future. lt seems like everyone is seeking revenge for something. People erroneous think that the battle (war) between Light and Dark Forces, or Good and Evil, or God and Satan, is the only Came in town. (We are all playing the

Game of Life in one way or another). There are better Games to be played. Like the Game of Triumphant Spirit (Life)! Are we trying to be God? ls it our goal to be Cod? Basically, No. Cod is trying to be us: the lndividual, the Family, Society, Humanity. The True Cod seeks to free man from the darkness that would engulf him in fear and misery. The true, living God is not created or invented, He is discovered! And He is found inside you, as the best (perfect) part of you. His Spirit is your life. His Spirit is everybody's life. God can

re-create Himself. Spirit can produce spirit. The True God said: "Accept and Reject what you like". The created or invented Gods say: "Do as I say or else!" The True God said: "Think for yourself'. The created or invented Gods say: "Think exactly like me and no way else...or else!" lam Expressing and Expanding Spirit in all the directions lwant to go in. I am not compel to be, do, or have anything. ldon't have to move. I don't have to live. I don't have to survive. But lwill. Today lclaim that I have a clear conscious and a clear peace. I am

on top of the world and I don't have to struggle, but merely acknowledge what I truly AM. And this spiritual journey never ends. WHAT ARE YOU WAITING FOR? We are not'waiting'for things to happen as the Church has taught us, we are CAUSINC things to happen today, here and now. We are not waiting for Jesus to come (or the Second Coming). We certainly aren't waiting for Armageddon to happen. There is no day of 'Rapture' or Judgment' for us. The Kingdom of Heaven is at hand HERE AND NOW. What are

you waiting for? lf man is going to be happy, prosperous, joyful, and serene, he better be it TODAY. For no one is promised tomorrow. We plan to be there (in the future), but there are no guarantees in life. ln reality, there are no Absolutes in the physical universe The only Absolutes there are in life or the ones you say are Absolute. You are the procurer of Ultimate Truth. Again, MetaPsychics is a 'natural science'. The supernatural rightfully belongs to the field of ParaPsychics of which MetaPsychics is a forerunner. We do not deny the

existence of the supernatural, or that Cod may have a supernatural Side to Him. Or that'spirit', or the Mastermind, can bring about supernatural causes and effects, but we are only concern with restoring mankind'natural abilities' that he lost a long, long time ago. lf man could use his natural abilities to the fullest extent it would seem supernatural to many people though it is very, very natural to the Denizen or Paragon. lt is like a second skin. lt is like second nature. There really isn't nothing supernatural about it. With the right

data anyone can perform miracles. You must stop believing that Truth, Knowledge, Power, and Happiness is only for the Chosen Few. The so-called 'Elect of Cod'. lf God created over 7 billion people (2009), lam sure that He made a Heaven big enough to house them all. What are you waiting for?

STAY IN THE LIGHT

When you are Psychically-clean then there are no longer any outer or inner forces or forms working directly or indirectly against you, You are non-dualistic though you have knowledge of good and evil.

Your Power of Choice is at it's optimum. You are in Charge of your Mastermind. You have all the space you need. Time is on your side. You can manipulate any energy. And you can alter and/or have any matter. (STEM). Everything, but Spirit is in a state of flux, a state of change. AND you, you alone, decide which direction that change is going to go in. To'Know Thyself is to know your true self, you as a 'spiritual being' called a Denizen or Paragon. And as a Denizen or Paragon you have certain 'attributes and abilities' of the Highest Order

and Authority. To'Be true to thyself is to be honest and fair to yourself. lt is to love thyself as you are, not as you want, or think others want you to be. To be fair to one's self means not to judge yourself too severely. A spiritual being has a refined sense of humor and is happy most of the time. We are not stoic or stolid. Like we said before, this is no 'Grin and bear lt' religion. Whether you are being afferent or efferent, the goal is the same. You are the Autocrat and the Aristocrat of your Life. lt is true that when you 'seek' (less known demonstrate)

spiritual virtues and values, your life becomes easier. The Universe is on your side. Cod (and His Spirit) is one your side (Who can be against us?). And your own Mastermind is on your side. And given 'correct data' the Mastermind cannot make a mistake. lt cannot fail to do what you tell it to do. You now possess a Refined Mind. A Refined Reality. The first person you must save is yourselfbreaking free from your slave-mind. Stay in the Light.

ON FEELING SAFE

Rather work, play, or a'labor of love', be a Professional. Because

mankind was FORCED and MADE to believe since the New Testament came upon the scene two thousand years ago, man simply WANTS to believe, and he will believe ANYTHINC and EVERYTHING. From ghosts, to angels, to demons, to demon-possession, to aliens, ect. Decent, honest people cannot understand, nor imagine, nor give a reason for the unbelievablen atrocious acts some people do. The worst of human nature becomes unbelievable. Evil becomes unbelievable. Fortunately, there are also unbelievable good things going

on in the world, but because the Newspapers and T.V. News shows make more money on 'sensationalism' of abuse, violence, and murder, (to name a few), you are bombarded with 'unbelievable heinous crimes' day after day. It is enough to make you pessimistic or depressed. At the least, it will make you feel like you are living in a 'evil' or dangerous world, and to a certain degree you are, but you should feel sufficiently safe in your immediate environment. Don't be taken in by 'The Merchants of Chaos' who make their living by

presenting to you an environment more dangerous than it really is. They make their money off this, much in the same way the Church makes it's money off of Jesus Christ. lt is hard to say how rnuch good, uhbelievable things are happening. But they are happening, they just don't get that much 'video-play' as the violent ones. A person said that his mental outlook and health increased by 70% after he stopped reading the newspaper for two weeks. One woman said that she 'limits herself to a half-hour of T.V. news a day and she felt much

better then when before she felt compelled to watch it for hours.

A REMINDER

Spirit (Cod's spirit) is the only, truly therapeutic agent in the physical universe of (STEM). As a spiritual being, you are the only, truly healer. The world is at your command. Even the universe must comply with your will. lt is up to you to adjust the environment to yourself, and not the other way around as been taught in the Ancient World. As far as we are concern, the Ancient World, the World of Sin and Darkness ended in I 950. This is because new

discoveries in man, science, and the mind were made public. And old manuscripts of the bible were found proving that Jesus was a fictional character in a fictional book. He is the 'idea' of the 'perfect' (sinless) man. YOU are the EMBODIMENT of the 'perfect man', which is Cod's spirit in you so that you can be a'spiritual being' (Denizen or Paragon). Also, the popular "Mind over Matter" slogan made it possible for man to use a new kind of energy to control his mind and life called 'psychic energy'. He could use his Mastermind to

conquer the world. Today, you have: "spirit over mind". The spirit is the active agent in this game. All you have to do is live up to it. Know it. Understand it. Use it. We have entered into the second Age of Miracles, Wisdom, and Enlightenment. This is the greatest time to be here and alive. You were given a physical body for fun and enjoyment. Not misery and unhappiness. You may not be able to know everything, but you can come into a complete knowingness of who and what you are, and what you can do. Your biggest enemy is

forgetfulness. Over many lifetimes and deaths, and suppressed data, you have forgotten who you are and what you can really do. This science of spirit is simply a reminder.

LOVE VS. LAW

Cod's Spirit is not 'too good to be true'. lf you have LIFE in you (and you do), then for all practical purposes, you are experiencing God's Spirit in action within you. Rather this 'experience' is good or bad is solely up to you. We have tried to make it Good, and lnfinitely Good, but, of course, the final

decision (choice) is solely up to ' you. You are 'The One who dances above the clouds', , ., 'The One who swings in heaven.' You can completely accept yourself as you are, knowing that you can improve anything, at anytime, in anyplace. 'Any Concept can be improved'. The Darkness of lgnorance of the Ancient World said: God was outside of you, and separate from you. The Light of Darkness, normally issued by the Church said: You needed a 'mediator' in order to be 'one' with God, in America, this is normally Jesus. ln the Modern

World, God is inside you, and you are'one'with Him. Because God's Spirit is your natural spirit, you need no mediator 'between' you and God, you are already intimately connected. This is based on the fact that God is Eternal (always was, is, and will be), and Cod is omnipresent (everywhere), therefore you need no mediator to'hook up'with Cod, all you need to do is realize His Spirit in you as your attributes and abilities. God's Spirit is the essence of your life, of everybody's life literally. Keep the Legacy alive. lt seems like all the

religious books and all the spiritual sciences point to one thing: A transcendental elevation above the Human Self. Being all that you can be. ln the Ancient World man feared Cod and was bound by His Law(s). ln the Modern World, Law is replace by Divine Love, and a man should love Cod (his higher Self and his neighbor has himself. The only Law is: "Do as Thy will and harm none.'

YOUR CORE BELIEF SYSTEM'

Most people don't question or inquire into their'core belief system'. They don't think to change it or update it. Some don't even know

that it exist. Rather you believe it or know it, your core belief system is made up of words and statements that you hold as true. This is where your Prime Postulates are. Your Ultimate Truths. Your Conceptual Convictions. What you think here lays the ground-work for what you will be, do and have for the rest of your life. Your Core Communication. Your Core Cognitions (Convictions). The self-same Divine Design in Evolution is the same self-same Divine Design in you. lt is in the activity of the Mastermind. Many people are

involved in Involution without knowing it. A person who exercise and diet faithfully is in a process of Involution. The person who goes to school to increase his knowledge and skills is in a process of Involution. A person who creates (goes to work) his job everyday and is a professional is in the process of Involution. Writing a simple letter to someone can be a process of Involution, Use of the Mastermind is a process of Involution, Of course the Ways are endless. Don't get involve in Hero Worship to no one or any being to the point of

selfrepudiation. Be your own Hero. No one is better than you are, and you are better than nobody else. You may possess superior knowledge and have a superior way of using your psychic (the Mastermind), and it may put you in a superior position with superior conditions, but this in no way make you, or anyone else, superior to anyone else. Use of the Superior Energy in no way makes the User superior in any way to anyone else. ln the Ancient World the slogan was: 'No pain, ho gain.' ln the Modern World, it is: "No brain, no

gain.'

ON RECENT (MODERN) DISCOVERIES

We don't invent 'theories' and then find facts to support them. We observe facts and then conclude theories to explain them. Hatred has it's own enslavement and punishment. Love has it's own freedom and reward. lf you have digested well the information in this book, you won't need words, or this book anymore except as a good reminder of who and what you are. lt should be a reality to you now, one you keep affirming each and

everyday. lf you can maintain your Prime Postulates while the world falls down around you-you will maintain a 'high level of existence', and not fall back into the Darkness of lgnorance and the Light of Darkness (this one is provide by the Churches who want to enslave and control you). You can penetrate the Mystery and the Darkness, and indeed you must if you want to arrive at the Living Truth. ln the physical world, the Spirit goes from inaction, to action, to inaction, and lt regulates this for it's survival and livingness. A spiritual being can

read anything and not be influence by it. In my reading, studies, research, investigations and observations into Demonology; I read many books by Occultists, and Jewish and Christian Mystics. I read the 'Satanic Bible', and books by Hitler, and Atheists. I read books on Witchcraft (both white and black magic), and Esoteric and Exoteric Writings. When I said I read a lot, that is an understatement. I spent half my life reading and studying everything I could find on Man (and mankind), God, Spirit, Life, Mind, and the Physical Universe. I

discovered the Psi (spiritual) Universe, the Spiritual Being, Den izen or Paragon, and the Mastermind. Atheists and Demonology had no place in it.

THE THREE UNIVERSES

We have been taught to believe that there is only one universe that we should attend to. And only one reality that we have to face. A famous Science Fiction Writer once said that the number three has a important significances to mankind. Just like four was a significant number in the Ancient World (lt represented the four corner of the

earth and the four Cospels were based on it). The Trinity may be the reason that the number three seems important to us today. There are also three universes and a number of different realities that you can experience. Here again the 'one and Only syndrome' is being used again. The first universe is the universe of Space, Time, Energy, and Matter or (STEM). lt is the universe of forces and forms and we all agree with it to some degree. Next is your own universe. Your mind has the power to duplicate the physical universe and does.

This'mental picture' of the universe is more pliable then the physical universe, thought both can be alter and changed. Your own universe you can infuse with (Psi) energy or spiritual energy and turn it into a Psi universe with the help of your Mastermind. The third universe is the universe of the 'other person'. Just like you can duplicate the world in your thoughts, so can the other guy, and his universe may or may not agree with yours. To each his own. You have a right to live in your universe as he has a right to live in his. "Do a Thy will and harm

none." This applies to universes as well as people. You control your universe, you may or may not control the universe of someone else. And there is more than just one reality. You can experience different realities according to the way you think.

THE THREE UNIVERSES (con't)

There is the physical universe of forces and forms. There is the 'other person's' universe which may or may not agree with yours, thought we agree on the universe of forces and forms to some degree. And there is your universe made up

of Psi and /or Psvchic energy and is quite alterable. This universe exist because of your postulates and considerations. You can make it as'perfect'as you like. lt can be good, infinitely good, better or the best in comparison to the STEM universe. The STEM universe can be changed and altered also by your creations. Man created a computer from the 'dust of the ground'. Think of what he can create using Cod's ene rgy, Psi energy. lf we can change forms (space and matter), we definitely can change forces (time and

energy). The three universes are an important datum to keep you from getting tangled up in someone else's creations, from being'trapped' in someone else's universe. You are happiest in your own universe. You can enter and exist any other universe at will, but the best agreements are in your own universe. lf in studying this material you get sick, or you feel physical pain somewhere in your body, don't be alarm, press on, this is a common phenomenon, and the sickness or pain should subside as you continue. Use the Psi and

Psychic Techniques or Formulas in this book to help alleviate them. tf it doesn't see a Physician. Again, this is not 'faith healing', even if you get healed along the way. The goal of these writings is to change your life and/or reality at will, and the power to preserve your life as you please. The key word here is survival. lf it tends to your survivaln you can be certain and sure that it is good for you, flo matter what universe you are in.

THE S/NIESS PERSON When Jesus sai d: "Don' t fear the man that can kill only the body...but fear

him that can cast both body and mind (soul) into hell." Who was he referring too? Why no one but YOU! Jesus said don't even worry about the other guy, even if he can kill your body. But it is YOU who you have to watch. For only YOU can cast your 'soul' psychic into hell or kill it. Only you, and no one else. You prevent this by conquering your slave-mind, and letting the Mastermind take over, forever. Everyday you can make the decision to be Cause. You can activate your Mastermind and let it run on automatic. This is

like'second nature'. lt's only a matter of decision. (Though we believe that Jesus was a fictional character, the writings about him still hold merit. You just have to select the right ones and disregard the rest.) We are basically telling you what has happened to you, and what you can do about it. Everybody else has tried to help you and failed. Few have succeed. We succeed where others have failed. No one is a sinner. Sin is not a scientific word. You may be born into a so-called sinful world, but that doesn't make you a sinner. But one

can make mistakes or act on false data that yield negative results. A person can make a mistake that cost him a lot, One can make a fatal mistake that cost him his life. The best thing to do when you make a mistake, is remember who and what you are and spring into action. Correct the mistake as fast as possible. Make amends if that is necessary. Clean up any mess and go about your business. There is no guilt, or'sin' involved here. And that is about all there is to it.

EXEMPLARY PEOPLE

This book contains more Psi

(spiritual) data then Psychic (mental) data. This is so you can utilizes either one depending where you are at on your spiritual journey. The popular phrase of today Q009) is : "What are you doing?", "1 don't know, I'm just crazy." lt is so easy for man to give in to insanity and badness. He has been told that he was evil since birth, that his very nature is evil and only the Church can straighten him out. And since man lives in a world of mystery and unknowingness he is confused, not certain, and to a certain intent, insane. I used to say: "Everybody is

insane, it is just a matter of degree." Luckily, there are plenty of sane and honest people in the world, but we use 'going crazy'as an excuse for not-knowing and bad acts. One simply'acts' without thinking. And thinking would not have help anyway because he didn't have any correct data upon which to think. Existentialism, one of the most modern philosophy of mankind today, states that man should take stock in his freedoffi, responsibility, and isolation. We would replace'isolation' with'individuality', for no man need be an island. No

man is a rock. He can live alone or with others. He can have a family or not' He can marry or not. Again, the individual, the independent spirit is a dangerous thing in our society. He is not bound by the Status Quo. Like many Artists, Actors, and Musicians he is thinking with an higher mind than the average person. He is capable of creating new worlds for future generations to come (into). We are not Saints, but we are Exemplary People. We make a difference in the world by our mere Presence. We are at war with no one. We oppose those who

would enslave and suppress, but we are not fighting any battles are wars.

OTHER PEOPLE'S CREATIONS

You can enjoy other people's creations without having to 'believe' in them, or put your ene rgy ,nto them. Enjoy, but don't comprise your power or freedom (reality). You can observe and even help people with their problems. You can take responsibility for their problems and remember that they are not your problems. Everybody has an opinion. Everyone is right. Everybody KNOWS. To not know is

the crime of the century, the unforgivable sin. But everybody doesn't know. They only'think'they know and are lost in mystery and unknowingness. ln fact, not knowing opens the door to further learning and knowledge. You can't learn something if you already made up your mind that you know it. You must be able to unknow in order to know more. lt's like you must be cause and willing to be an effect if you want to experience the fullness (abundance) of life. You must KNOW and be willing to UNKNOW so that you can learn

more, or know more. Knowing is senior to believing. Would you rather 'believed' that you had a million dollars in your pocket, or know that you have a million dollars in your pocket? I rather know it for sure, not just believe it as if in doubt. Knowing is superior to believing. We can believe, but in this science of spirit, to believe means to 'accept as true or reality' based on your considerations and estimations. lt is not'blind faith', w€ accept what we can know and understand at least in some degree, and if we don't know, w€ simply

don't know. Just because we can't know everything doesn't mean that we can't know something. Knowing brings about certainty and real power. MetaPsychics was created so that you can know and understand Cod and spirit, and know and understand that you can be a spiritual being.

FAMILY VALUES

Crimes committed in the Name of God or any Religion or Cause are the worst crimes of all. But second to that, and maybe more important are the crimes committed against or for the family. When they said that

'blood is thicker than water', they meant that the family was greater than baptism or religion. Even criminals and gangsters honor the'family', and even considers their group one. Family is important. Besides surviving for the self, or self-preservation, comes the family. So family is important, but not everyone wants a family. ln our society today, the individual is at a disadvantage. This world caters to the'family man'. The individual is left out in the cold for the most part. The whole economy exist for the family. So one has to be extra

vigilant to live as an individual, especially if you are a women. Women are told that they must get married, or that they need a man in their life to complete it. Such nonsense has lead to many a divorces, and failed relationships because the woman (or man) married for other reasons then their own. Yet, and this is just my opinion, the man of the family should be responsible for Cod in the family. lt is his job to keep the ethics in his family. And if the male is missing, then the woman. The male delegates the discipline to the

mother and that is alright too. lt is written, 'Children honor thy parents.' But the parent should 'honor thy children' also. Love, honesty, and open communication are the cornerstones for a well adjusted family. You don't have to be perfect, but you are not dysfunctional either. One's first responsibility is to one's self, that is, you must keep your own integrity and ethics in. You want your family to look up to you. There still is no honor among thieves.

A WORLD OF LIES

We live in a world of lies. As one

gangster commented: "The streets are a lie." No one is telling man the real truth today. Not very many people at all. The Truth about Cod, spirit, and man has been occluded. We know about man through the sciences, but they speak very little, it any, oh the spiritual nature of man. We learned about God and spirit through religion but it contained good and bad data and we made no effort to differentiate between the two. And religion has become a Dominating Monster, when, indeed, it was suppose to be our servant. Psychiatry offers very

little help, and some people claim that Psychiatry is only making people insane. This is because most of their therapy is based on the 'man is an animal theory', and 'man from mud theory'. They try to treat you but again, too many deny the spirit of a person, and is not treating the COMPLETE man.. Even if one does not believe in God and spirit, the 'soul' represents 'all' that is within you. Everything you 'think' makes you up. Your deepest ideas, emotions, thoughts, conclusions, estimations, postulates, images, ect. So, either

way, we are endeavoring to put YOU, the REAL YOU, in POWER. The universe of Truth exist regardless of the world of lies. We have an attitude of gratitude. We are thankful for LIFE, and we try to celebrate LIFE the way God intended man to do. We can live in heaven or paradise now, and we can have or reward now, as well as later. We can eat our cake and have it too, as long as you make another cake. You have been lied to all your life. Too many of us are good and evil, not knowing that spirit is all good, and infinite (super) good. We

don't have.to create evil, knowing that good and evil are dichotomies of the psychic (mind).

DIVINE SALVATION

This isn't a'Grin and bear it'Philosophy or a'Damn if you do, and damn if you don't" Philosophy either. lt would be silly to think that you can be cheerful or happy in every situation. You should be able to experience the full array of your emotions. Laughing when you can, and crying when you need to. We do hope that you laugh more than you cry, and that you try and stay happy as long as possible, but you

are not'fixed' in any emotion or 'mind set'. We really don't use 'belief systems' in this science of spirit, one should know, and know that he knows. My lnner Sanctuary has become my Outer Sanctuary. Original Man knew he was the way, the truth, and the life, until the Hebrews came along with their version and interpretation of God and Spirit. God ended up'outside and separate' from man, and had to be pleased. Then the Greeks came along with their ldea of a Perfect MAn, and he was to be served and worshipped. Man was

'separate'from God and needed a'mediator'to intercede for him. And it didn't stop there. That which was suppose to set man free had enslaved man, and bound man to his slave-mind with it's negative thoughts and emotions. NOW, you know the Mastermind, and can defeat the slave-mind. You have the absolute power to reduce or eliminate any evil purpose, cause, effect, emotion, and thought. You iust need to get the lies out of your head. Your own illusions (lies), and the lies of others (delusions). AII false data is a result of these two.

You can observe evil and not be affect or influence by it. This is your Divine Salvation. tn the near future, man will be able to take that which is bad for him and make it good for him, even at the genetic level. ln much the same waY we use venom to make antidotes for poison today.

YOUR NATURAL SPIRIT

God's Consciousness is within you. This means that you have the Power to See things in a way that other people can't. The bible said: 'Be in the world, but not of it', but don't forget to love the world (after all, according to the bible, God so

loved the world...if God so loved the world, shouldn't you?), and the things in it. Material gain and wealth are benefits the spiritual being can have and enjoy. The bible said: 'Trust Cod', but also don't forget to trust yourself and have trust in your fellow man. The bible said: "Love thy neighbor as thyself', this means that you don't sacrifice yourself or your life to anyone, cause, or organization thinking that being a martyr is a spiritual virtue. Self-love is a virtue, A spiritual being can transmit divine knowledge to his fellow man by his mere touch, look,

or wish. I decided to write divine knowledge down so that I could leave a legacy for future generations. You should have success in both your spiritual life and your worldly life. ln fact, your spiritual life is just a greater whole of your worldly life. You should enjoy the physical universe as much as you enjoy your physical body, after all, it was created for you. And indeed, would not exist without you. The spiritual being is your new Ego. Ego (E-go: Energy on the Go.) Emotions (E-motions: Energy in Motion). ln the Ancient

World you would had been called a DIVA, or God, or Divine or Semidivine Being. A woman would be a DlVl, which literary means 'a Goddess'. ln the Modern World (since 1950) you are called a Denizen or Paragon. A Semi-divine or Demigod is called a Human Spirit. The spiritual being knows that it is 'part and parcel' of Cod. The spiritual being is God's Spirit manifested on earth. And that would be YOU. God's Spirit is your natural spirit (life).

BE YOUR OWN MAN

People want to believe, and they

want to be right. And will die for either. Religious people follow the 'Law' by faith (blindly). lt is up to the spiritual being to 'interpreted' the Law. Some laws or good and useful. Some or bad and obsolete. "Those who are too lazy (mentally) and comfortable to think for themselves and be their own Judges obey the laws. Other sense their own laws within them; things are forbidden to them that very honorable man will do any day in the year and other things are allowed to them that are generally despised. Each person must stand

on his own feet." -Herman Hesse (Demian) It's Ok to admire other people when they deserve it, but it is more important to be worthy of admiration yourself, even if you don't need applauses or approval-seeking. lf you are no longer in a Good vs. Evil reality, then don't play the Right vs. Wrong Came. Thoughts are thoughts, good or bad, it is what you DO with them that makes all the differences in the world. The Law, Church, and State were created to serve you, not make you their servant. A spiritual being has his own code of ethics

and doesn't blindly follow, adhere to, or obey laws that make no sense or are archaic. Think of your decisions in terms of their consequences, instead of rather they are right or wrong. Learn to please yourself instead of any outside Force, Standard, or Authority. "Men grind and grind in the mill of a truism, and nothing comes out but what was put in. But the moment they desert the tradition for a spontaneous (or deliberate) thought, then poetry, wit, hope, virtue, learning, anecdote, all flock to their aid." -Ralph Waldo

Emerson (l 838) (Literary Ethics)

YOU AND THE PERFECT MAN

unless you were extremely lucky, all your life you have been taught that cod, Love, coodness, a better you, a better world was 'somewhere out there', or'up there' but never'in there'(within you)! You were given the'Holy spirit' by the church, but you actually have to 'buy it' through the name of Jesus', who is completely commercialized, even though they tell you that it is the 'free gift' of cod. Martin Luther put an 'outward show' of this to an end, but you pay more than money for

the right to heaven, abundant and eternal life; you pay with your'LIFE'. You must sacrifice (to martyr your life for the 'betterment of mankind', (and this is not just a christian belief), is the highest spiritual virtue because this is what the fictional characterJesus did) your life (make it a zero), so that Jesus can be a 'hero'. We don't want to keep on harping on this but lthink it is paramounr to know that if God is omnipresent (which He is), then He is in you as well as outside you. His spirit permeates the universe and everything in it. Man can no more

be separated from Cod then the sun in the universe. He needs no mediator, but only needs to realize that he is already 'one' with God through His Spirit, which is man's 'natural spirit', and holy or not, he is'part and parcel'of Cod and can manifest any of God's attributes or abilities in the spiritual, psychic (mental), or physical universe. The only thing that can separate man from the Living God and His Living Spirit called LIFE, is man's own thinking. No more. No less. The story (fable) of Jesus and the Perfect Man was needed but it is

not validated. The ldea of a Perfect Man (Sinless) is actually based on the first sacred scriptures written about God and Spirit long, long before the Antediluvian Age.

YOU AND THE PERFECT MAN (con't)

Cod created the universe out of Himself and the Universal Perfect Man called Brahman. This Universal Perfect Man incarnated in 'everymann as the ATMAN. The Atman was 'part and parcel' of man which made man 'part and parcel' of God. Man needed no mediator 'between' him and God. His 'natural

spirit (inner and outer life)' was God's Spirit in the physical universe. And later on, through transcendental knowledge, w€ discovered that man could become 'one'with God as the Supreme Being of his own universe. This is man as a Perfect Static. This breakthrough knowledge lead to many new discoveries and positive creations for mankind. lncluding, most of all, the established pattern of the Mastermind. The Mastermind, given the correct data, cannot make a mistake. lt is your most potent weapon against the

'facile evil' of mankind. But one will not discover his Mastermind until he reduce and/or eliminate his'slave-mind'. This is called'Ground Zero' or Psychic Clearing. One brings one's mind to a'neutral state'and then to a'positive state of mind'. When one is Psychically-cleared, there are no inner or outer negative forces or forms that can influence or effect him. He is a 'Freed Spirit'. He is more Cause then effect. More Actor then re-actor. More Expression and Expansion. lt is still 'better to give then to receive', but'he that receives a lot, gives a lot'. When you are

'connected' to God and His Spirit who have more than you need to live several lifetimes. Pray, Faith, Worship and Belief are to the Ancient (Old) World, as Meditation, Contemplation, Cause, Knowing, and Positive Action is to the Modern (New) World. You have replace 'faith' and 'believing' with 'Knowing and Understanding'. And that is no easy feat.

THE ETERNAL POWER: LIGHT (WISDOM) AND LOVE

'l have a dark form, but lam connected with the Eternal Being (Force).' -an Old Egyptian Saying

Original man knew that he was 'one'with the infinite and the eternal, he didn't have anything that you call 'faith' today. He felt that he was 'part and parcel' of a Greater Being(ness), lt was only later, that he received knowledge of what he inwardly 'sense and felt'. Knowing and understanding God and Spirit was only the common (original) man's highest aspirations. lt was the lndians of lndia who first wrote about God and His Spirit as being the Creator and Sustainer of the universe and His Spirit as the perfect man (Atman) within man;

long before the Semitics (Hebrews) came upon the scene. And it was the American lndian who first spoke of Cod as the Creat Spirit in Nature as well as in Man, Believing has dominated the spiritual and material world for too long (over two thousand years), it is about time man knew who he was and what he can do as a spiritual being. You have went from believing to KNOWING. The Light of the West. The Light of Life. The Great Light of lights. The Light within you is illuminated. All you have to do is shine. lt seems like all spirituality is,

is increasing the Power of your being in a good way. Rather this is love, joy, health, wisdo"m, worth, spiritual or material gain, it is all the same. Keep the truth and be free, or frustrate your potential (source) and walk in Darkness. The devil and the burning fires of hell are both the works of man, and none can put the fires out or dissipate the evil one, but the man who made them both. You get rid of your slave-mind influences. outs ide, it and you rid yourself of any devil and his Though the 'darkness' came from the is the 'darkness'

inside that has to be abolish,
DENIZENS AND PARAGONS
The lnternal spirit is the External Expression of Myself. By being Myself I am expressing the best (perfection) of spirit. Now we are completely and totally good. Bur we can'set up' 'demon circuits' if need be. We can strike a blow at an opponent if we are attack or in danger of death. We are not Angels, are Sons of God, or Children of cod, or servants of God. we are not cod men or Holy men, (though we may appear that way). We are not Prophets or

Messengers of Cod. We are not Adepts or Sages. We try only to identify ourselves as spiritual beings, Denizens and Paragons. The Human Being realized that he is a Human Spirit. And the Human Spirit realized that he is a Spiritual Being. Whatever you are evolving into, you are evolving from. Life antecedes life. Love begets love. Today, you are the resurrection and the life (light). You are the Way, the Truth, and the Life. No man cometh unto God, but by his own spirit (soul or mind). And, "Creater works then these shall he do..." ln John .l4.28,

you find even Jesus saying that God is Greater than he is. This is very important, because there is God, Spirit, and You! No Jesus is involved here! It is all on you, and always was. And, always will be, so make it good. Any concept can be improved. God, Spirit, the Spiritual Being, and the Mastermind exist in the realm of the invisible and the unseen, so who can tell you they do not exist? You can sense and feel Spirit as inner wisdom (feeling smart or at your intellectual best), love and joy. I am moving onward, forward, upward, inward, outward.

You are an 'lndividualized Spirit', a "lndependent Spirit'. A'Free Spirit'. First we realize or recognize Spirit. Then we acknowledge or accept lt into our lives. And next we willfully use and/or control lt.

THE DENIZEN OR PARAGON

"Dance and Movement or the best expression of emotions (spirit)." - An Black American Woman

Nietzsche called for the de-deification of Nature. He also said that'Cod is dead.'And Cod came back and said 'Nietzsche is dead.' God was right. Not only do we call for the deification of Nature, but we

believe that Nature is govern by God's natural laws. These laws we discovered, just like we discovered evolution and were able to 'work together with evolution' and called it involution. lnvolution is the naturally workings of the Mastermind, but you must control it. We believe like the first lndians of lndia and America, that God's Nature (Spirit) was in Nature. lt is also in us as LIFE, LOVE, INTELLIGENCE, and JOY. To name a few of lt's attributes. There are a lot more characteristics to "Spirit" then what is told in the bible. Holy or not, your

natural spirit !S the natural spirit of Cod. We don't have inflated egos. We are not puffed up or snobbish. We maintain a quiet, peaceful, pleasurable existence. We can feel the full array of emotions. We can think infinitely good thoughts. We are not bound by 'mind', words, space, time, energy or matter. We are not bound 'fixed' in good or evil forces. But because spirit is naturally good, w€ are also. We keep our ethics in and go about our own business. An old term we used was that we granted others 'Psychic Space'. We let others think the way

they want as long as we don't have to accept it (we have a choice), and that they are not harmful to themselves or anyone else. Killing in the Name of God is just as damnable as killing for no reason at all. As a far reached goal, w€ look for the day when there is no more war,

WHAT ARE YOU WAITING FOR?

We are not'waiting'for things to happen as the Church has taught us, w€ are CAUSING things to happen today, here and now. We are not waiting forJesus to come (or the Second Coming). We certainly

aren't waiting for Armageddon to happen. There is no day of 'Rapture' or Judgment' for us. The Kingdom of Heaven is at hand HERE AND NOW. What are you waiting for? lf man is going to be happy, prosperous, joyful, and serene, he better be it TODAY. For no one is promised tomorrow. We plan to be there (in the future), but there are no guarantees in life. ln reality, there are no Absolutes in the physical universe The only Absolutes there are in life or the ones you say are Absolute. You are the procurer of Ultimate Truth.

Again, MetaPsychics is a 'natural science'. The supernatural rightfully belongs to the field of ParaPsychics of which MetaPsychics is a forerunner. We do not deny the existence of the supernatural, or that God may have a supernatural Side to Him. Or that'spirit', or the Mastermind, can bring about supernatural causes and effects, but we are only concern with restoring mankind'natural abilities' that he lost a long, long time ago. lf man could use his natural abilities to the fullest extent it would seem supernatural to many people

though it is very, very natural to the Denizen or Paragon. lt is like a second skin. lt is like second nature. There really isn't nothing supernatural about it. With the right data anyone can perform miracles. You must stop believing that Truth, Knowledge, Power, and Happiness is only for the Chosen Few. The so-called 'Elect of Cod'. lf God created over 7 billion people (2009), lam sure that He made a Heaven big enough to house them all. What are you waiting for?

STAY IN THE LIGHT

When you are Psychically-clean

then there are no longer any outer or inner forces or forms working directly or indirectly against you. You are non-dualistic though you have knowledge of good and evil. Your Power of Choice is at it's optimum. You are in Charge of your Mastermind. You have all the space you need. Time is on your side. You can manipulate any energy. And you can alter and/or have any matter. (STEM). Everything, but Spirit is in a state of flux, a state of change. AND_ you, you alone, decide which direction that change is going to go in. To'Know Thyself is

to know your true self, you as a 'spiritual being' called a Denizen or Paragon. And as a Denizen or Paragon you have certain 'attributes and abilities' of the Highest Order and Authority. To'Be true to thyself is to be honest and fair to yourself. lt is to love thyself as you are, not as you want, or think others want you to be. To be fair to one's self means not to judge yourself too severely. A spiritual being has a refined sense of humor and is happy most of the time. We are not stoic or stolid. Like we said before, this is no 'Grin and bear lt' religion.

Whether you are being afferent or efferentn the goal is the same. You are the Autocrat and the Aristocrat of your Life. lt is true that when you 'seek' (less known demonstrate) spiritual virtues and values, your life becomes easier. The Universe is on your side. Cod (and His Spirit) is one Yaur side (Who can be against us?). And your own Mastermind is on your side. And given 'correct data' the Mastermind cannot make a mistake. lt cannot fail to do what you tell it to do. You now possess a Refined Mind. A Refined Reality. The first person you must save is

yourselfbreaking free from your slave-mind. Stay in the Light.

LOVE VS. LAW

Cod's Spirit is not 'too good to be true'. lf you have LIFE in you (and you do), then for all practical purposes, you are experiencing God's Spirit in action within you, Rather this'experience' is good or bad is solely up to you. We have tried to make it Good, and lnfinitely Good, but, of course, the final decision (choice) is solely up to j you. You are 'The One who dances above the clouds', , .j. 'The One who swings in heaven.' You can

completely accept yourself as you are, knowi_ng that you can improve anything, at anytime, in anyplace. 'Any Concept can be improved'. The Darkness of lgnorance of the Ancient World said: God was outside of you, and separate from you. The Light of Darkness, normally issued by the Church said: You needed a 'mediator' in order to be 'one' with God, in America, this is normally Jesus. ln the Modern World, Cod is inside you, and you are 'one' with Him. Because God's Spirit is your natural spirit, you need no mediator 'between' you and Cod,

you are already intimately connected. This is based on the fact that Cod is Eternal (always was, is, and will be), and Cod is omnipresent (everywhere), therefore you need no mediator to'hook up'with God, all you need to do is realize His Spirit in you as your attributes and abilities. Cod's Spirit is the essence of your life, of everybody's life literally. Keep the Legacy alive. lt seems like all the religious books and all the spiritual sciences point to one thing: A transcendental elevation above the Human Self. Being all that you can

be. ln the Ancient World man feared God and was bound by His Law(s). ln the Modern World, Law is replace by Divine Love, and a man should love God (his higher Selfl and his neighbor has himself. The only Law is. "Do as Thy will and harm none.'

YOUR CORE BELIEF SYSTEM'

Most people don't question or inquire into their'core belief system'. They don't think to change it or update it, Some don't even know that it exist. Rather you believe it or know it, your core belief system is made up of words and statements that you hold as true. This is where

your Prime Postulates are. Your Ultimate Truths. Your Conceptual Convictions. What you think here lays the ground-work for what you will ben do and have for the rest of your life. Your Core Communication. Your Core Cognitions (Convictions). The self-same Divine Design in Evolution is the same self-same Divine Design in you. lt is in the activity of the Mastermind. Many people are involved in lnvolution without knowing it. A person who exercise and diet faithfully is in a process of lnvolution. The person who goes to

school to increase his knowledge and skills is in a process of Involution. A person who creates (goes to work) his job everyday and is a professional is in the process of Involution. Writing a simple letter to someone can be a process of Involution. Use of the Mastermind is a process of Involution. Of course the Ways are endless. Don't get involve in Hero Worship to no one or any being to the point of selfrepudiation. Be your own Hero. No one is better than you are, and you are better than nobody else. You may possess superior

knowledge and have a superior way of using your psychic (the Mastermind), and it may put you in a superior position with superior conditions, but this in no way make you, or anyone else, superior to anyone else. Use of the Superior Energy in no way makes the User superior in any way to anyone else. ln the Ancient World the slogan was: 'No pain, flo gain.' ln the Modern World, it is: "No brain, no gain.'

ON RECENT (MODERN) DISCOVERIES

We don't invent 'theories' and then

find facts to support them. We observe facts and then conclude theories to explain them, Hatred has it's own enslavement and punishment. Love has it's own freedom and reward. lf you have digested well the information in this book, you won't need words, or this book anymore except as a good reminder of who and what you are. lt should be a reality to you now, one you keep affirming each and everyday. lf you can maintain your Prime Postulates while the world falls down around you-you will maintain a 'high level of existence',

and not fall back into the Darkness of lgnorance and the Light of Darkness (this one is provide by the Churches who want to enslave and control you). You can penetrate the Mystery and the Darkness, and indeed you must if you want to arrive at the Living Truth. ln the physical world, the Spirit goes from inaction, to action, to inaction, and lt regulates this for it's survival and livingness. A spiritual being can read anything and not be influence by it. ln my reading, studies, research, investigations and observations into Demonology; I

read many books by Occultists, and Jewish and Christian Mystics. lread the'Satanic Bible', and books by Hitler, and Atheists. I read books on Witchcraft (both white and black magic), and Esoteric and Exoteric Writings. When I said I read a lot, that is an understatement. I spent half my life reading and studying everything I could find on Man (and mankind), Cod, Spirit, Life, Mind, and the Physical Universe. I discovered the Psi (spiritual) Universe, the Spiritual Being, Denizen or Paragon, and the Mastermind. Atheists and

Demonology had no place in it.

THE THREE UNIVERSES

We have been taught to believe that there is only one universe that we should attend to. And only one reality that we have to face. A famous Science Fiction Writer once said that the number three has a important significances to mankind. Just like four was a significant number in the Ancient World (lt represented the four corner of the earth and the four Cospels were based on it). The Trinity may be the reason that the number three seems important to us today. There

are also three universes and a number of different realities that you can experience. Here again the 'one and Only syndrome' is being used again. The first universe is the universe of Space, Time, EnergY, and Matter or (STEM). lt is the universe of forces and forms and we all agree with it to some degree, Next is your own universe. Your mind has the power to duplicate the physical universe and does. This'mental picture' of the universe is more pliable then the physical universe, thought both can be alter and changed. Your own universe

you can infuse with (Psi) energy or spiritual energy and turn it into a Psi universe with the help of your Mastermind. The third universe is the universe of the 'other person'. Just like you can duplicate the world in your thoughts, so can the othe r guy, and his universe may or may not agree with yours. To each his own. You have a right to live in your universe as he has a right to live in his. "Do a Thy will and harm none." This applies to universes as well as people. You control your universe, You may or may not control the universe of someone

else. And there is more than just one reality. You can experience different realities according to the way you think.

THE THREE UNIVERSES (con't)

There is the physical universe of forces and forms. There is the 'other person's' universe which may or may not agree with yours, thought we agree on the universe of forces and forms to some degree. And there is your universe made up of Psi and /or Psychic energy and is quite alterable. This universe exist because of your postulates and considerations. You can make it

as'perfect'as you like. lt can be good, infinitely good, better or the best in comparison to the STEM universe. The STEM universe can be changed and altered also by your creations. Man created a computer from the 'dust of the ground'. Think of what he can create using God's energy, Psi energy. lf we can change forms (space and matter), we definitely can change forces (time and energy). The three universes are an important datum to keep you from getting tangled up in someone else's creations, from being'trapped'

in someone else's universe. You are happiest in your own universe. You can enter and exist any other universe at will, but the best agreements are in your own universe. lf in studying this material you get sick, or you feel physical pain somewhere in your body, don't be alarm, press on, this is a common phenomenon, and the sickness or pain should subside as you continue. Use the Psi and Psychic Techniques or Formulas in this book to help alleviate them. lf it doesn't see a Physician. Again, this is not 'faith healing', even if you get

healed along the way. The goal of these writings is to change your life and/or reality at will, and the power to preserve your life as you please. The key word here is survival. If it tends to your survival, you can be certain and sure that it is good for you, ho matter what universe you are in.

THE S/NIESS PERSON When Jesus sai d: "Don't fear the man that can kill only the body...but fear him that can cast both body and mind (soul) into hell." Who was he referring too? Why no one but YOU! Jesus said don't even worry about

the other guy, even if he can kill your body. But it is YOU who you have to watch. For only YOU can cast your'soul' psychic into hell or kill it, Only you, and no one else. You prevent this by conquering your slave-mind, and letting the Mastermind take over, forever. Everyday you can make the decision to be Cause. You can activate your Mastermind and let it run on automatic. This is like 'second nature'. lt's only a matter of decision. (Though we believe that Jesus was a fictional character, the writings about him still hold merit.

You just have to select the right ones and disregard the rest.) We are basically telling you what has happened to you, and what you can do about it. Everybody else has tried to help you and failed. Few have succeed. We succeed where others have failed. No one is a sinner. Sin is not a scientific word. You may be born into a so-called sinful world, but that doesn't make you a sinner. But one can make mistakes or act on false data that yield negative results. A person can make a mistake that cost him a lot. One can make a fatal mistake that

cost him his life. The best thing to do when you make a mistake, is remember who and what you are and spring into action. Correct the mistake as fast as possible. Make amends if that is necessary. Clean up any mess and go about your business. There is no guilt, or'sin' involved here. And that is about all there is to it.

EXEMPLARY PEOPLE

This book contains more Psi (spiritual) data then psychic (mental) data. This is so you can utilizes either one depending where you are at on your spiritual journey.

The popular phrase of today is: "What are you doing?", "l don't know, I'm just crazy."

lt is so easy for man to give in to insanity and madness. He has been told that he was evil since birth, that his very nature is evil and only the Church can straighten him out. And since man lives in a world of mystery and unknowingness he is confused, not certain, and to a certain intent, insane.

I used to say: "Everybody is insane, it is just a matter of degree." Luckily, there are plenty of sane and honest people in the world today

also, but we use'going crazy' as an excuse for not-knowing and vengeful acts. One simply 'acts' without thinking. And thinking would not have help anyway because he is subconsciously ‘acting out’ hidden communications.

Existentialism, one of the most modern philosophy of mankind today, states that man should take stock in his freedom, responsibility, and isolation.

We would replace 'isolation' with 'individuality', for no man need be an island. No man is a rock.

He can live alone or with others. He can have a family or not. He can marry or not, Again, the individual, the independent spirit is a dangerous thing in our society. He is not bound by the Status Quo. Like many Artists, Actors, and Musicians he is thinking with an higher mind than the average person. He is capable of creating new worlds for future generations to come (into) here and now and influnce a whole world of real people by ‘thought’ alone.
We are not Saints, but we are Exemplary People. We make a

difference in the world by our mere Presence. We are at war with no one. Especially ourselves.

We oppose those who would enslave and suppress mankind, but we are not fighting any battles or wars.

TRANSCENDENTAL CONSCIOUSNESS IS ABOVE THE DUALITY OF THE MIND AND WORLD.

THE TRIUMPHANT GAME OF LIFE

Justice is a nice legal word for revenge. A lady once said. "A person would have to be pretty

cold, if they didn't want revenge for someone they loved who was murdered." The best revenge is living the Good Life. Even the most Godly men sought revenge in times past. Rather they did it, or God did it, orJesus does it in the future, it seems like everyone is seeking revenge for something. People erroneous think that the battle (war) between Light and Dark Forces, or Good and Evil, or God and The Devil are the only games in town and MUST be played.
(We are all playing The Game of Life in one way or another). But

there are better Games to be played. Like The Game of Triumphant Spirit (Life)!

Are we trying to be God?

ls it our goal to be God? Basically, No.

God is trying to be us: the lndividual, the Famiry, Society, Humanity. The True God seeks to free man from the darkness that would engulf him in fear and misery. The true, living God is not created or invented, He is discovered! And He is found inside you, as the best (perfect) part of you. His Spirit is your life. His Spirit is everybody's

life. God can re-create Himself.
Spirit can produce spirit.
The True God might say: "Accept and Reject what you like".
The created or invented Gods say: "Do as I say or else!"
The True God said: "Think for yourself'.
The created or invented Gods say: "Think exactly like me and no way else...or else!"
I am Expressing and Expanding Spirit in all the directions I want It to go in.
I am not compel to be, do, or have anything. L don't have to move. I

don't have to live. I don't have to survive. But I will. Today I claim that I have a clear conscious and a clear peace. I am on top of the world and I don't have to struggle, but merely acknowledge what I truly AM. And this spiritual journey does Comes to an end.

A PSI BEING ACTUALLY NEVER LEAVES HIS PSI PLACE ONCE HIS IS CONSCIOUS OF IT.

A SAFE PLACE (HEAVEN)

God is not the Absentee Landlord of the universe (out there, Somewhere, and a complete Mystery) as the Judea and

Christian Doctrines proclaim. He is intricately and profoundly 'seated', (and with comfort I might add) WITHIN our very being.

ln fact, God is the SOURCE and CENTER of our lives.

We can't get no more closer to God than that.

WE ARE IN A PSI PLACE.

lt is a "SAFE PLACE".

I feel safe and secure...everywhere I go.

A "SAFE PLACE" in the psychic (mind) would be Heaven or Peaceful Existence. You can't have peace if you are filled with Self-hate

either for yourself or others.
You can't have peace if you are fighting 'internal wars'.
And peace and satisfaction go hand in hand.
Before you seek to help (save) someone else you better reduce and/or put to rest your own slave-mind.
lt isn't necessary to help someone else, but man has a personal obligation to himself to be the best he can so that he can be the best of himself, for himself, as well as for others.
Remember the songs?: "Don't let

the sound of your own wheels, drive you crazy." and "Free yor' mind, and yor' ass will follow".

I always knew when they said that Lincoln freed the slaves, that the slaves still weren't free. To pay man minimum wage and tell him to raise a family of three on it, (himself, wife and child) will not achieve the American Dream, in fact, he is lucky if they survival well.

Like it or not, many, many of us are American's indentured servants. We may not be physical slaves, but far, far too many of us are still 'mental or psychic slaves', either to

man-made Gods, Man, Woman, Child or Beast. And I speak to all of mankind.

Instead of the Kingdom of Heaven (or any SAFE PLACE) being manifested, The Lunatic Fringe is at hand.

THE PSI BEING PUTS ORDER TO CHAOS.

ON FEELING SAFE

Rather you work, play, or a 'labor of love', be a Professional.

Because mankind was FORCED and MADE to believe since the New Testament came upon the scene two thousand years ago, he simply

WANTS to believe, and he will believe ANYTHINC and EVERYTHING. From ghosts,to angels, to demons, to demon-possession, to aliens, ect. Decent, honest people cannot understand, nor imagine, nor give a reason for the unbelievable, atrocious acts some people do. The worst of human nature becomes unbelievable. Evil becomes unbelievable. Fortunately, there are also unbelievable good things going on in the world, but because the Newspapers and T.V. News shows, make more money on

'sensationalism' of abuse, violence, and murder, (to name a few), you are bombarded with 'unbelievable heinous crimes' day after day.

lt is enough to make you pessimistic or depressed. At the least, it will make you feel like you are living in a 'evil' or dangerous world, and to a certain degree you are, but you should feel sufficiently safe in your immediate environment.

Don’t be taken in by 'The Merchants of Chaos' who make their living by presenting to you an environment more dangerous than it really is.

They make their money off this, much in the same way the Church makes it's money off of Jesus Christ.

. lt is hard to say how much good, uhbelievable things are happening. But they are happening, they just don't get that much 'video-play' as the violent ones do.

A person said that his mental outlook and health increased by 70% after he stopped reading the newspaper for two weeks. One woman said that she 'limits' herself to a half-hour of T.V. news a day and she felt much better then

before when she felt compelled to watch it for hours.

THE PSI BEING IS ALSO IN HIS SAFE HAVEN. A WORLD OF HIS OWN CREATION.

AN OVERVIEW BY TEUTSCH

“Believe in your family, your occupation, yourself. Realize the goodness, the beauty, the glorious meaning of LIFE. Most of all, trust the spirit or super-intelligence (the Mastermind) within you that is mightier even than the subconscious (slave-mind). Through your yearnings and frustrations it is directing you at all

times to the people, places, and (things) situations required for your progress. In everything that happens to you, even in reading these pages, you are being led to an ever more beneficial use of your thoughts, feelings, words, and actions. ln this manner, your former apparent enemy, the subconscious (slave-mind), will become your friend. Your fear will be converted into confidence, failure into success, hate into love, lack into fulfillment and abundance, misery into happiness. And what holds value for you applies also to the

beggar in the street, the millionaire, the student, the ditch-digger, the statesmen, be he American, Spanish, Japanese, or Russian. Don't envy others. Don't pity others. Every man you meet is either as you are, were, or will be. Therefore, my friend, rest assured. You are the right person, being in the right place, at the right time, and having, the right thing."

-Joel G. Teutsch and C. Kurt Teutsch, Ph.d. (From Here to Happiness, l96l)

ln MetaPsychics, you also have the option of eradicating the

subconscious or slave-mind all together and making more conscious, the Unconscious Mastermind. The ‘slave mind’ becomes the 'best friend' you have to euthanasia. The Mastermind consist of Spiritual or Psi-energy. The slave-mind consist of 'psychic energy' only. I believe the Psychic Person or Modern Mystic has a 'feeling mind'. He is more sensitive to the 'finer and higher' vibrations of the Psi, Psychic, and Physical Worlds (Universes).

THE PSI BEING HAS A PSYCHIC HEART.

A REMINDER

Spirit (God's spirit) is the only, truly therapeutic agent in the physical universe of (STEM). As a PSI BEING, you are the only, true healer.

The world is at your command. Even the universe must comply with your will. lt is up to you to adjust the environment to yourself, and not the other way around as been taught in the Ancient World. As far as we are concern, the Ancient World, the World of Sin and Darkness ended in 1950. This is because new discoveries in man, science, and

the mind were made public. And old manuscripts of the bible were found proving that Jesus was a fictional character in a fictional book. He is the 'idea' of the 'perfect' (sinless) man.

The Dying and Resurrecting god.

YOU are the EMBODIMENT of the 'perfect man', the PSI BEING, which is God's Spirit in you so that you can be anything you want to be.

What are YOU today?

Also, the popular "Mind over Matter" slogan made it possible for man to use a new kind of energy to control

his mind and life called 'psychic energy'. He could use The Mastermind to conquer the world. Today, you have: "spirit over mind". The spirit is the active agent in this game. All you have to do is live up to it. Know it. Understand it. Use it. We have entered into the second Age of Miracles, Wisdom, and Enlightenment. This is the greatest time to be here and alive.

This is what METAPSYCHICS is all about.

This would be TRANSCENDENTAL KNOWLEDGE.

You were given a physical body for fun and enjoyment. Not misery and unhappiness.

Everything suffers.

It is the goal of METAPSYCHICS to end needless suffering and unjustified suffering everywhere.

You don’t have to know everything to know ‘somethings’.

You may not be able to know everything, but you can come into a complete knowingness of who and what you are, and what you can do.

Your biggest enemy is forgetfulness. Over many lifetimes and deaths, and suppressed data,

you have forgotten who you are and what you can really do. This science of spirit, METAPSYCHICS is simply a reminder.

WE ARE NOT PERFECT, BUT OUR KNOWELDGE IS.

WHO DO YOU WANT TO BE?

Who do you want to be? lnstead of your SELF?

Who do you want to be? lnstead of your SELF?

Do you want to be a Movie Star; With fans from afar? Do you want to be a Movie Star; Who people adore?

Who do you want to be? lnstead of

your SELF?
Who do you want to be? lnstead of your SELF?
Do you want to be Jesus Christ? Who the world always loved; Do you want to be Jesus Christ? Like a good Angel from above?
Do you want to be Buddha; And extinguish all desire? Do you want to be Buddha; Not a Seller or a Buyer?
Do you want to be Mohammed; And set the world afire. Do you want to be Mohammed , ln a Religion, with,guns for hire?.
Do you want to be Moses; And

save your People. Do you want to be Moses, Who is worshipped under the steeple?
Who do you want to be, Besides your SELF?
It's a trick of the Church and State, To be 'anything' but your Self. You have to suffer and sacrifice, Have all virtues and no vice. But being dead I would not entice, I think, your Self, is very nice.
Who do you want to be, Besides your Self
I rather be Me, Then anyone else.

“YOU ARE AN ETERNAL BEING WITH AN INFINITE MIND

IN A FINITE WORLD

AND Universe".

PART TWO:

WE ARE THE HOLY HOUSE OF DAVID.

THE TRIBE OF ISRAEL.

THE ORIGINAL BLACK ISRAELITES OUT OF JERUSALEM.

We are the NEPHILIMS misrepresented in the Holy Bible.

The ORIGINAL HEBREWS OF ABRAHAM.
We are the original SONS OF GOD.
The EXPANSION OF THE ONE SUPERIOR ENERGY!

Everything else is either the INFERIOR ENERGIES
or an
ILLUSION.
WE ARE THE FIRST AND ORIGINAL SONS OF THE LIVING GOD.

The NEPHILIMS are SUPERIOR extraterrestrials from ALPHA CENTAURI.
The Nephilims were falsely charged in heaven and were told that they were expelled and became THE SATAN/LUCIFER along with 1/3 of the host of heaven.

These are the first SONS OF GOD and Archangels recorded falsely in the Old Testament.

These are the BLACK ISRAELITIES OF ANTEDILUVIAN

AFRICA and The TORAH and THE OLD TESTAMENT.

SINCE ALL MEN AND WOMEN ARE TRANSCENDENTAL BEINGS SO THE BLACK ISRAELITE AND ALL AFRICANS ARE TRANSCENDENTAL BEINGS.

THE BLACK ISRAELITES ARE THE ORIGINAL JEWS OF THE WORLD. ALL OTHER JEWS INCLUDING THE TWELVE ORIGINAL TRIBES ARE CREATED BY THE BLACK ISRAELITES!
ALL RACES COME FROM ONE

RACE.
ALL JEWS COME FROM ONE BLACK JEW.

ALL OTHER JEWS NO MATTER WHAT RACE THEY DECLARE ARE JEWS EITHER BY ANCESTRY OR THE RITES OF JEWISH LAW. {Religious conversion}.

No other man, woman, or instrument is Jew if not by the above LAW or HERITAGE.
Even the ORIGINAL JEW {ISRAELITE} cannot make a JEW except by birth or conversion.

ALL NEW CONVERTS MUST FOLLOW THE LAW OF THE JEWS and there are only two ways to be a real JEW no exceptions ever!

The ZOHAR states "There are three knots connecting {three entities} one to the another:

THE HOLY ONE {THE SHINING ONE}
blessed be He,

THE TORAH,

and

ISRAEL.

THE HOLY ONE
is KRISHNA/RAMA/
JEHOVAH/YAHWEH/
LUCIFER/SATAN/
MARY/LILITH.
THE ELIOM OF THE JEWISH
BIBLE.

THE HOLY ONE IS ALSO THE
CREATOR OF ALL THINGS.

Africans know THE HOLY ONE as TU-sos or ROARA for the Roar of the Ocean and Lion, the SUPERIOR and FIRST FORCE of NATURE and THE UNIVERSE. And MAN. And MANKIND. THIS IS HOW WE GOT THE LION OF JUDAH!

TU-sos is uncreated, un-manifested, unborn, and transcendental as well as incomprehensible and unknown.

No one can know TU-sos, only TU-sos can know you.

The THREE ENTITIES are composed of a PNIMIYUT {inner dimension=internal] and a CHIZONIYUT {outer dimension=external}.

The JEWISH SOUL connects to its CREATOR through the study and observance of TORAH.
The triangle represents the connection between these three entities.

This is the IMPERSONAL CONNECTION whereas GOD is

UNKNOWN and UNSEEN, and UNAWARE.

THE ESSENCE OF THE JEWISH SOUL CONNECTS WITH GOD'S ESSENCE THROUGH THE STUDY OF THE TEACHING OF THE KABBALAH.

The TORAH consists of both the esoteric and exoteric teachings. The exoteric teachings are THE TALMUD which contains the LAWS of MAN the TEN COMMANDMENTS and the JEWISH LAW that conversion Jews

must follow in full or part to be a JEW.

The esoteric teachings is the KABBALAH which involves the SOUL of the JEW in relationship to THE HOLY ONE, {blessed may He be}, himself, the world and the universe.

The TALMUD is God unrevealed and Impersonal.

The KABBALAH is God's

ENERGIES revealed and PERSONAL.

The BLACK JEWS are strongly encouraged to follow the KABBALAH over the TORAH having a good knowledge of the TORAH of the laws, rules and regulations of the JEWS that do not have to be enforced by no one except the 'converted JEW'.

The KABBALAH states that:

God's Energies permeate and provides essences to all worlds

and universes, but His true ESSENCE is completely hidden TRANSCENDING ALL CREATION, mind and body, and His ETERNAL SOUL is the BLACK JEW's ETERNAL SOUL.

The SOUL of the ORIGINAL JEW is a REFLECTION of God's ETERNAL SOUL as a REVEALED ELEMENT of life and the universe.

It is on the level that expresses itself within the mind and body and vivifies the body, mind and environment and its essence is

also transcendental to human nature and the human mind.

The Black Israelite as his true self a PSI BEING can create entire universes at ease with the proper spiritual and transcendental training.

IT IS WISDOM THAT SAVES THE BLACK ISRAELITE, NOT BELIEVING, HOPE, OR FAITH.

The Black Jew MUST STUDY CONSISTENCY and CREATE BETTER KNOWLEDGE FOR THE

BLACK MAN.

For when you save the Black man, you save all men.

If God did not want you to be here, YOU WOULD NOT BE HERE!

So the JEW has TWO WAYS to KNOW and UNDERSTAND himself, the universe and world he lives in regardless of what age or generation and his relationship to God the SOURCE of all things and uncreated CREATOR.

Those who study the TORAH external do not have to study the KABBALAH internal.

Those who study the KABBALAH internal, do not have to study the TORAH external.
However, those whose study the KABBALAH MUST also have a working knowledge of the TALMUD even if it is not enforced or followed.

THE BLACK ISRAELITE SHOULD STUDY AND FOLLOW THE KABBALAH FOR IT MAKES A

STRONGER AND MORE STABLE JEW.

The KABBALAH is a SPIRITUAL and TRANSCENDENTAL connection to THE ONE without a second or equal though we are an EXPANSION of His SUPERIOR ENERGY.

The KABBALAH also connects the Black Israelite to the ETERNAL EGO and EMOTIONS of God which are outlined in the KABBALAH.

The KABBALAH states there are 7 MAJOR EMOTIONS of GOD the SUPREME that created and makeup the UNIVERSE and everything in it.
Now, we know there are NINE MAJOR PARTS: TWO EGOS {The SUPERSOUL and SOUL} and the SEVEN EMOTIONS OF THE SUPREME.

This is based on the SUPREME KNOWLEDGE OF THE JEWS that states there is the External and Internal God and the God that Transcends.

So the Jew who follow the TORAH may not even know the SECRET KNOWLEDGE OF ANTEDILUVIAN ANCIENT AFRICA which is only known as KRISHNA CONSCIOUSNESS today or GOD CONSCIOUS OF YOU AS AN INDIVIDUAL SOUL WITHIN ITSELF.

The seven EMOTIONS that the BLACK ISRAELITE should cultivate are found in the KABBALAH.

Let's get to the point.

I am an original BLACK ISRAELITE OF AFRICA and am proud to be one though true pride comes from what you do not who you are. But there is nothing wrong in taking pride in yourself and your race and in fact there is nothing wrong in taking pride in all of God's creation as if He created it for you to enjoy, learn about, and grow in.

But we are getting off track here,

because I do not BELIEVE in any God or Supreme Being except the one source we all come from.

However, more on that later, so for now I will discuss some of the reasons I wrote this book.

Just like the public of all nations are given 'black propaganda' against the Jews also 'black propaganda' has been administered against the 'original Jews' of planet earth, plus there as been so much diversification even among the Black Israelite(s) as to

what part of the TORAH should be followed, to the different sects of Black Jews that are not in sympathy or union with other Jews.

This is just as poisonous and murderous as the 'conquer and divide' that happened to the Black race of Africa when they were told they were the sons of Cain {an evil curse put on us by the white man who wanted to and did enslave us}, and few have recovered from it since then.

The same fate is destined for the

Black Jew today as well as all Jews,

Yet, this small book is just an introduction to the original Jews on earth and their philosophy that has become the major part of the Torah, the Old Testament, the New Testament, The Buddha religions, and all Eastern and Western philosophies and occult studies.

I hope this book clears up some of the mystification of the Black Israelites as well as defunct a substantial amount of the misinformation about Jews in

general.

Another reason for this book and probably the main reason is that not only has the history of the people of Africa been nearly erased and whitewashed so that it does not represent the Black race at all, so have the Black Israelites living in obscurity and in the peripheral eye of the word as 'the invisible race and man' today knows nothing of this real history and the history presented to man and mankind today is altered so that the Black Jew is seen cursed

of God instead the blessed and fulfillment of God on earth, even as it is is in heaven {his own elevated mind}.

I am pointing out distinctly that the Black Man of the Modern World is the original Israelite {Hebrews} of which all other Jews, or the offspring of Abraham of the Ancient World are descendants.

So we are saying that all Black Americans were originally Black Jews as even the whole races of man and mankind today.

All the races of the earth from white to black originated in the AFRICA and the DAGGA TRIBE of AFRICA received the Holy Ganja {soma} plant and sacred wisdom from God and became a REALIZED SOUL OF GOD THE SUPREME BEING AND SOURCE AND FIRST CAUSE.

The Black Israelite(s) are also the people written about in the Old Testament which was written by

The Desert Fathers, a sect of Black Israelite(s) of Africa.

Since 1970 the scientific fact that the first man on earth was an African, a Black Israelite is not that hard to believe and is indeed true.

The entire history and cause of creation is considerably CHANGED to the fact that the first man on earth was a black man, not the white Adam and Eve you see and heard of in the KJV of the Holy Bible.

And that brings us to the second reason of this book is that there is little history of the original Jew written and this is one of the first true records of the Black Israelite(s) ever written by an original Black Israelite {Jew}.

"AND THE HOLY ONE AND SHINING ONE OF ALL CREATION AND ISRAEL SAID:

"I allow man to follow the dictates of his own nature, his own mind. Moreover, he who hates thee,

hates Me, and shall regret it sorely for "Revenge is Mine!" sayeth the Lord! "And the Scales will be Balanced!"

"Do not sell Wolf-tickets, YOU ARE THE WOLF!""

I am the Original Israelite.
I am the First Israelite.
I am a Black Israelite!
An authentic and true Israelite comes from me!

The Torah commands:

"THOU SHALL NOT FORGET!"

Not to forget our unique Spiritual or Divine Nature with and of God.

"Are ye not as the children of the Nigerians and Ethiopians unto Me, O children of Israel? saith the Lord.
Have not I brought thee up Israel Out o the land of Egypt,

And the Philistines from Caphtor, And Aram (Syria} from Kir?

I speak to thee as if ye were

my only sons and daughters giving you knowledge and power beyond the common senses of man {the individual and man, woman and child {mankind}."

The ZOHAR established the three ENTITIES:
The Most High {blessed is He},
The Torah, and
Israel.

This was the HOLY TRINITY OF THE AFRICAN ISRAELITES.
THE MOST HIGH {Bless be His Being and Name},

THE TORAH,
and ISRAEL.

Now the TORAH consists of THE TALMUD or The Law {external, outer and exoteric} and THE KABBALAH or Mysticism of God {internal, inner and esoteric}.

The most important part of THE TALMUD is THE MISHNAH which contains the customs, conduct and content of the ISRAELITES.

THE SUPREME MISHNAH OF THE TALMUD OR THE FIRST

MISHNAH IS THE ZOHAR.

The TORAH was not our connection to God The Supreme, but a reminder that we are 'always one with the Supreme Being' though none {everything seen and unseen, moving and non-moving} are equal, lesser or greater than He is.

In THE ZOHAR known as THE FIRST MISHNAH of JEWISH TRADITION quotes in Volume III, 73a:

"THERE ARE THREE KNOTS CONNECTING {the three entities} ONE TO ANOTHER: THE HOLY ONE, blessed be He.
THE TORAH {the Talmud {Jewish Law: First five books of Moses} and Kabbalah {Jewish Mysticism: God's Revealed Energies}, and ISRAEL {the people or 13 tribes of Israel spread across the Nations}."

Therefore THE TORAH actually represents the TRADITION AND ORAL MISHNAHS OF THE JEWISH TRADITION.
The study of the TALMUD and

KABBALAH are the external and internal {karma, duty, or actions} that only represents the essence of the Jewish soul to the essence of God. It DOES NOT CONNECT THE READER TO GOD BUT REPRESENTS THE CONNECTION TO GOD THE ISRAELITES {Jewish soul} ALREADY HAS.

This is why there is NO MEDIATOR between the ISRAELITE(s) AND GOD THE SUPREME BEING, PERSON, AND PERSONALITY.

It should be understood that if one is fully versed in the KABBALAH he is NOT subject to the Laws of the TALMUD or KABBALAH as long as he or she is in service to God or God Consciousness or Self-realized.

When one is Self-realized he knows and understands the Master as the Self.

The knowledge of the TALMUD which is an intellectual pursuit DOES NOT inform one of the TRUE NATURE OF THE GOD OF

ISRAEL. This is only revealed to those ISRAELTES who study the SECRET WISDOM OF THE KABBALAH, and can KNOW, UNDERSTAND and USE the esoteric knowledge known as SPIRITUAL and TRANSCENDENTAL KNOWLEDGE today.

NO OTHER PERSON IS AUTHORIZED BY GOD OR MAN TO SPEAK OR REPRESENT GOD ON EARTH.

THE NAME OF THE ANCIENT

ANTEDILUVIAN GOD OF AFRICA, THE GOD OF ALL THE PAGANS, AND THE GOD OF ISRAEL CANNOT BE SPOKEN BY MAN AND HIS ORIGINAL NAME IS:

TU-sos.

There is no other God and all other Gods be they of the past, present, or future are Tu-sos, for Tu-sos is EVERYTHING SEEN AND UNSEEN, MOVING AND NON-MOVING, IMAGINED OR CREATED {Reality}.

'Say My Name and I Am not. Give Me a Form and I vanish."

The Known and Unknown God was given ONE SUPREME NAME that all mankind {man, woman, and child} and man alone {the individual} could KNOW, UNDERSTAND, and USE to live his or hers DIVINE or ULTIMATE LIFE here and now on earth and not in some imaginary future.

Because the UNKNOWN ESSENCE that cannot be uttered by man or woman or child, three Names for

God were given to the first ISRAELITES of the world.

The reading of the TORAH does not bestow "God qualities upon the Israelite for he or she is already "CONNECTED" to God by birth and realization of the SPIRITUAL BEING {SP} within who in his ultimate state of being is the PSI BEING, the most powerful entity in any universe when he is in MUKTA {Mukta, translated from Sanskrit, means “freed,” “liberated,” “released” and “to set free.” It is

derived from the root word "much." According to B.K.S. Lyengar, Mukta means liberated from the binding suffering of sentient life.}
or liberated from the mind, body, and environment.

IMPERSONAL: GOD WITHOUT {BRAHMAN}

PERSONAL : GOD WITHIN
{PARAMATMA}

PRIVATE: GOD
WITHIN/WITHOUT

{KRISHNA/RAMA or
SATAN/LUCIFER}

FORCE and FORM

{BLISS and WISDOM}
{BALANCE and FREEDOM}
{KINDNESS and SEVERITY}
{FUN and EXHILARATION}

The essence of the Jewish soul connects with the Essence of God's Soul through the study of the TORAH: TALMUD and KABBALAH.

This study is to REMIND the ISRAELITE that he or she is ONE WITH GOD but is not greater or equal to God
or THE UNKNOWN ESSENCE OR SOURCE OF LIFE, NATURE, AND THE MIND.

This is done either through the TALMUD or the KABBALAH or both.

THE THREE ENTITIES OR KRISHNA EACH COMPRISE OF A PRIMIYUT {INNER DIMENSION} AND A CHIZONIYUT {OUTER DIMENSION} WITH ARE TWO SIDES OF THE SAME COIN OR TORAH WHICH REPRESENTS TO THE ISRAELITE HIS OR HERS TRUE CONNECTION TO GOD THE SUPREME BEING OR BEINGNESS.

THE INNER DIMENSION IS THE KABBALAH {Inner Guidance}.

THE OUTER DIMENSION IS THE TALMUD {The Jewish and Universal Laws of Man}.

It should be understood now that THE TORAH is a duality of JEWISH LAW AND JEWISH MYSTICISM that orIginated out of ANCIENT ANTEDILUVIAN AFRICA and THE KABBALAH today is known as THE SECRET KNOWLEDGE of ANCIENT ANTEDILUVIAN AFRICA.

THE TORAH

The Torah (/ˈtɔːrə, ˈtoʊrə/; Hebrew: תּוֹרָה, "Instruction", "Teaching" or "Law") includes the first five books of the Hebrew Bible, named: Genesis, Exodus, Leviticus, Numbers and Deuteronomy.[1] When used in that sense, Torah means the same as Pentateuch or the Five Books of Moses. It is also known in the Jewish tradition as the Written

Torah (תּוֹרָה כָּתוּבָה, *Ṫorah Katuvah*). If meant for liturgic purposes, it takes the form of a Torah scroll (*Sefer Ṫorah*).
However, the word *Ṫorah* can also be used as a synonym for the Hebrew Bible or Tanakh, in which sense it includes not only the five first but all 24 books of the Hebrew Bible. If in bound book form, it is called *Chumash*, and is usually printed with the rabbinic commentaries (*perushim*).
Finally, Torah can even mean the totality of Jewish teaching, culture, and practice, whether

derived from biblical texts or later rabbinic writings. The latter is often known as the Oral Torah.[2] Common to all these meanings, Torah consists of the origin of Jewish people: their call into being by God, their trials and tribulations, and their covenant with their God, which involves following a way of life embodied in a set of moral and religious obligations and civil laws (*halakha*).[1] The "Tawrat" (also Tawrah or Taurat; Arabic: توراة) is the Arabic name for the Torah within its context as an Islamic

holy book believed by Muslims to be given by God to Prophets among the Children of Israel, and often refers to the entire Hebrew Bible.[3]

In rabbinic literature the word *Torah* denotes both the five books (תורה שבכתב "Torah that is written") and the Oral Torah (תורה שבעל פה, "Torah that is spoken"). The Oral Torah consists of interpretations and amplifications which according to rabbinic tradition have been handed down from generation to generation and are now embodied in the Talmud

and Midrash.[4] Rabbinic tradition's understanding is that all of the teachings found in the Torah (both written and oral) were given by God through the prophet Moses, some at Mount Sinai and others at the Tabernacle, and all the teachings were written down by Moses, which resulted in the Torah that exists today. According to the Midrash, the Torah was created prior to the creation of the world, and was used as the blueprint for Creation.[5] The majority of Biblical scholars believe that the written books

were a product of the Babylonian captivity (c.6th century BCE), based on earlier written sources and oral traditions, and that it was completed with final revisions during the post-Exilic period (c.5th century BCE).[6][7][8] Traditionally, the words of the Torah are written on a scroll by a scribe (*sofer*) in Hebrew. A Torah portion is read publicly at least once every three days in the presence of a congregation.[9] Reading the Torah publicly is one of the bases of Jewish communal life.

THE PENTATEUCH

The first five books of the Hebrew Bible (Genesis, Exodus, Leviticus, Numbers, and Deuteronomy). Traditionally ascribed to Moses, it is now held by scholars to be a compilation from texts of the 9th to 5th centuries bc,Jewish name Torah.

According to Jewish and Christian oral tradition, they were dictated to Moses by God, and scholars believe they were written by multiple authors over centuries.

To study Torah in depth, then, is to do more than learn prescribed behaviors; it is to approach an understanding of the foundations of all existence and the pathways of the divine.

The first five books of the Bible are Genesis, Exodus, Leviticus, Numbers and Deuteronomy. Collectively, they are called the Pentateuch or the Torah.

THE TALMUD

The TALMUD is one of two parts of the TORAH.
The other part is the KABBALAH.

THE TALMUD consists of two parts:

The LAW OF MOSES
The LAW OF MOSES is the "written TORAH".
and
MISHNAH.
The MISHNAH is the "oral TORAH".

THE LAW OF MOSES is for all of mankind, including society, the family unit, couples, and the individual.

The MISHNA or JEWISH LAW contains the customs, morals, laws, and practical data of the living Jews and their actual history.

THE ZOHAR

1st Meaning

Zohar, sowing a seed for its glory like the seed of fine purple silk. The silkworm wraps itself within and makes itself a palace. This palace is its praise and a benefit to all.

ZOHAR meaning SPLENDOR or EXCELLENCE is one the SUPERIOR ATTRIBUTES OF THE HOLY ONE OF ISRAEL.

HOD.

The Zohar book is the holiest book in the Kabbalah. The Zohar is thought to have great mystical power and reading it is considered a virtue. The Zohar book is an important source of energy, protecting and blessing those who

read it.

The Zohar book is the holiest book in the Kabbalah. The Zohar book is an important source of energy, protecting and blessing those who read it.

However, the Zohar, the core mystical text of the Jewish tradition, provides an unique reading. Moses' voice and his ability to communicate meaning

were in exile while the people of Israel were in exile.

2nd Meaning

The Zohar book is the holiest book in the Kabbalah. The Zohar is thought to have great mystical power and reading it is considered a virtue. The Zohar book is an important source of energy, protecting and blessing those who read it. The book is written in

metaphors and tales, concealing more truths than revealing. The Zohar hold the secrets of creation and spiritual enlightenment. The Zohar's main goal is to draw light from higher realms, and not just to bestow wisdom.

The Zohar – Then & Now

It is believed that the Zohar book originated in the 2nd century. The Idra Rabba, a group of nine students and their Rabbi, Shimon bar Yochai, gathered in a cave near

Meron where they studied the Torah. The book was concealed until the 13th century in Spain, because mankind was not spiritually mature enough to accept it at the time.

The Zohar book can be found today in the Kabbalah center, and is considered one of the foundations of the Kabbalah. The Zohar is translated to many languages. Almost anyone who is interested in studying Kabbalah

has heard or even read the Zohar.

THE KABBALAH

{The Primal Mishnah}

and THE SACRED ANCIENT ANTEDILUVIAN WISDOM OF AFRICA

What are Kabbalah Studies?

There is more and more talk of

Kabbalah studying lately. More and more people, of all religions, seek the Zohar and the Kabbalah. Contrary to popular belief, Kabbalah studies are not religious studies. Kabbalah studies deal with Jewish mysticism and Jewish roots. Studying Kabbalah helps a person find his way in his spiritual path, and focuses on questions dealing with the meaning of life. Studying Kabbalah is for everyone interested in exploring spirituality

and philosophy.

THE KABBALAH contains the ESSENCE of GOD and HIS SUPERIOR and INFERIOR ENERGIES.

THE KABBALAH contains the SECRET WISDOM OF ANTEDILUVIAN AFRICA which became the GNOSTIC SCRIPTURES OF THE CHRISTIAN RELIGION AND DENIES THE JESUS CHRIST AS

THE JEWISH MESSIAH AND ALLAH AS THE JEWISH GOD.

THE GOD OF ANCIENT ANTEDILUVIAN AFRICA AND THE GOD OF THE ISRAELITES AND THE MODERN JEW IS TU-sos or HARI.

" I AM THE ETERNAL ONE, THE SHINING ONE, THE HOLY ONE. THERE IS NONE WHO IS GREATER THAN ME AND NONE WHO IS EQUAL TO ME."

"SAY MY NAME AND I DO NOT

EXIST. GIVE ME FORM AND I WILL VANISH."

THE KABBALAH states that God created the Universe in His SEVEN SUPERIOR EMOTIONS:

{Today we know it is nine for the Modern World in comparison to the Ancient World.}

CHESED= Kindness.

TIFERET= Harmony and Balance.

GEVURAH= Severity.

NETZACH =Perseverance or Persistence.

YESOD= Foundation.

HOD= Splendor or Wonder

MALCHUT= Royalty.

In this order and sequence they make up THE PERFECT PARADIGM for a COSMOS or MULTI-UNIVERSE. The three columns are the RIGHT, the CENTER, and the LEFT.

{When we speak of the nine Attributes of God in the PSYCHIC and PHYSICAL WORLDS you add FORCE to the LEFT and FORM to

the right of MALCHUT to indicate the COMPLETE LOVE, JOY, and POWER of GOD in any modern world.

The SEVEN ATTRIBUTES OF GOD ARE IN THIS ORDER AND SEQUENCE:

GEVURAH TIFERET

CHESED

HOD YESOD

NETZACH

MALCHUT

The KABBALAH gave mankind

THE TREE OF LIFE we use today.

THE MISHNAH

The Mishnah or the Mishnah is the first major written collection of the Jewish oral traditions which is known as The Oral Torah.

It is also the first major work of rabbinic literature.

The Mishnah was redacted by Judah ha-Nasi at the beginning of the 3rd century CE in a time when, according to the Talmud, the persecution of the Jews and the passage of time raised the possibility that the details of the oral traditions of the Pharisees from the Second Temple period would be forgotten.

Most of the Mishnah is written in

Mishnaic Hebrew, but some parts are in Aramaic.

The name Mishnah is derived from a Hebrew word that means "repetition" or "instruction." Orthodox Jews believe that at Mount Sinai, God gave to Moses both the written Law and oral instructions on carrying out that Law. The Mishnah later became the foundation of the Talmud.

What is the content and

purpose of the Mishnah?

Content and Purpose of Mishnah.

The Mishnah teaches the oral traditions by example, presenting actual cases being brought to judgment, usually along with the debate on the matter and the judgment that was given by a notable rabbi based on the halacha, mitzvot, and spirit of the teaching ("Torah") that guided his decision. In this way, it brings to everyday reality the practice of the

mitzvot as presented in the Bible, and aims to cover all aspects of human living

The Mishnah comprises six sections which apply to different parts of the Law: Zeraim — "seeds": Prayer, blessings, diets, agriculture, temple offerings, forbidden mixtures; Mo'ed — "festivals": The Sabbath, feast days.

The purpose of this book is to

basically lay out the relationship between God to the Jew and the Jew to himself and the world.
You cannot separate man from his environment no more than you can separate man from his mind.
But this has been done on a global basis and man, a lot of mankind has lost his true Spiritual Knowledge and Nature.
Now it is lost to him but it is not gone, only lying 'dormant' in every individual as the SUPERSOUL.

The Black Jew is the original Israelite for he and she are 'part and parcel' of God and need no holy book to impart this ABSOLUTE TRUTH.

For, in essence, we all are 'part and parcel' of God.

The Black Jew as with all Jews was only to set and EXAMPLE of this on earth.

He can make a world of difference because he has the POWER OF GOD in him and KNOWS IT.

Religions, in order to make money, MUST SEPARATE your soul=atma" from the ETERNAL GOD, the SUPERSOUL and 'sell' it back to you in some form or another.

The Black Jew has no slack or lack of ANYTHING and his God is Rich and Ruthless!

The true Eternal Nature of the Eternal God is WIsdom and Bliss.

Satan/Lucifer is the Infinite God.

You are the finite god.

You are the limitations of God as well as His expansions.

A Black Jew cannot be seen.

He is not a Physical Body or Psychic Mind.

He is not even a SPIRITUAL BEING {SP} which is the false ego not acting as FIRST CAUSE.

The Black Jew does not judge 'right against wrong'. What is 'right' sometimes is 'wrong' at other times.

The Black Jew DISCRIMINATES

between what is good and evil.

THIS IS THE POWER OF THE GODS TO KNOW GOOD FROM EVIL.

There is God External

{Brahma=Satan}

and God Internal

{Paramatma=Lucifer}.

The Supreme Trinity of the Black Jew is:

God-the Supersoul and soul.

Moreover, you are the 'soul'.

This is why you don't need religion or any holy books to tell you what is right or wrong.

YOU KNOW or you keep certain laws that govern YOU and you alone. This is called SELF-INTELLIGENCES.

SELF INTELLIGENCES

Self Intelligences are basically SELF-REALIZATION and SELF-LOVE.

Self-realization is knowing that you are 'part and parcel' of God or that you have your BEING and EXISTENCE in KRISHNA CONSCIOUSNESS.

KRISHNA IS THE NAME OF GOD GIVEN TO MAN TODAY.

IT IS THE ONLY AUTHORIZED

NAME OF GOD TODAY FOR ALL OF MANKIND.

THE SCIENCE OF KRISHNA IS FOUND IN THE GITA BEFORE IT WAS ALTERED BY THE ARYAN RACE.

THE GITA IS BASED ON THE GNOSTIC SCRIPTURES OF BIBLICAL TIMES, AND THE GNOSTIC SCRIPTURES ARE BASED ON THE KABBALAH OF THE ISRAELITES, AND THE KABBALAH WAS BASED ON THE

KEMETIC SCIENCE OF ANCIENT AFRICA WHICH CAME OUT OF THE SECRET KNOWLEDGE OF ANCIENT ANTEDILUVIAN AFRICA.

THE BHAGAVAD GITA

The *Srimad Bhagavad Gita* (/ˌbʌgəvəd ˈgiːtɑː/; Sanskrit: श्रीमद्भगवद्गीता, romanized:

śrīmadbhagavadgītā, lit.'The Song by God';), often referred to as the _Gita_ (IAST: _gītā_),
is a 700-verse Hindu scripture that is part of the epic _Mahabharata_ (chapters 23–40 of Bhishma Parva), dated to the second half of the first millennium BCE and is typical of the Hindu synthesis. It is considered to be one of the holy scriptures for Hinduism. {This is NOT exactly true. The Gita was MADE into the Hindu religion and is originally called THE ETERNAL RELIGION that was brought to India by

Africans a long, long time ago. The Eternal Religion was not yet altered by the Aryans.}

The *Gita* is set in a narrative framework of a dialogue between Pandava prince Arjuna and his guide and charioteer Krishna, an incarnation of Lord Vishnu. At the start of the Dharma Yuddha (righteous war) between Pandavas and Kauravas, Arjuna, the intimate friend of KRISHNA, is filled with a moral dilemma and despair about the violence and death the war will cause in the battle against his own kind.

He wonders if he should renounce and seeks Krishna's counsel, whose answers and discourse constitute the *Bhagavad Gita*.
Krishna counsels Arjuna to "fulfill his Kshatriya (warrior) duty to uphold the Dharma" through "selfless action".
The Krishna–Arjuna dialogues cover a broad range of spiritual topics, touching upon ethical dilemmas and philosophical issues that go far beyond the war Arjuna faces.
Numerous commentaries have been written on the *Bhagavad Gita*

with widely differing views on the essentials.
According to some, *MetaPsychics* is written by the god Ganesha which was told to him by Vyasa.
Vedanta commentators read varying relations between Self and Brahman in the text:
Advaita Vedanta sees the non-dualism of Atman (self) and Brahman (Universal Self) as its essence, whereas
Bhedabheda and Vishishtadvaita see Atman and Brahman as both different {personal} and non-different {impersonal},

while Dvaita Vedanta sees the dualism of the Atman (inner-self) and Brahman {outer-self} as its essence.
The setting of the *Gita* in a battlefield has been interpreted as an allegory for the ethical and moral struggles of human life. MetaPsychics presents a synthesis of African ideas about dharma, theistic bhakti, and the yogic ideals of moksha {Spiritual, Psychic, and Physical Liberation}. The text covers jñāna, bhakti, karma, and rāj yogas (spoken of in the 6th chapter) incorporating

ideas from the Samkhya-Yoga philosophy.

The *Bhagavad Gita* is the best known and most famous of Hindu texts, with a unique pan-Hindu influence. {This is false for all African Spirituality was REMOVED by Indians and the Aryan race. In other words, again a black religious document was WHITE-WASHED to eliminate the black Jew from the face of the earth.

The *Gita*'s call for selfless action inspired many leaders of the African/Indian independence

movement including:

Bal Gangadhar Tilak and Mahatma Gandhi; the latter referred to it as his "spiritual dictionary".
We now know that Mahatma Gandhi was a black man and that the Gita was first written by a black man and altered by India's Indians and Aryan race.

Removing these false interpretations from the GITA, we proclaim KRISHNA as the Whole SOURCE of the material world and

SATAN/LUCIFER as the Whole Source of the Spiritual worlds.
The PSI BEING IS BOTH God and Satan.
Everything on and in the earth is yours, choose wisely.

GNOSTICISM

Gnosticism (from Ancient Greek: γνωστικός, romanized: gnōstikós, Koine Greek: [ɣnostiˈkos], 'having knowledge') is a collection of religious ideas and systems which

originated in the late 1st century AD among Jewish and early Christian sects. These various groups emphasized personal spiritual knowledge (gnosis) above the orthodox teachings, traditions, and authority of traditional religious institutions. Viewing material existence as flawed or evil, Gnostic cosmogony generally presents a distinction between a supreme, hidden God and a

malevolent lesser divinity (sometimes associated with the Yahweh of the Old Testament) who is responsible for creating the material universe. Gnostics is considered the principal element of salvation to be direct knowledge of the supreme divinity in the form of mystical or esoteric insight. Many Gnostic texts deal not in concepts of sin and repentance, but with illusion and

enlightenment.

The Black Jew does not see the world as evil or bad but as the glory of God and himself in creation.

Creation is considered the INFERIOR ENERGIES and being one with the SUPERIOR ENERGY of God makes the Black Jew a PSI BEING or SPIRITUAL BEING {SP}.

The Black Jew or Israelite KNOWS he or she is 'part and parcel' of

God the ETERNAL and there is none that is equal to the ETERNAL or greater than the ETERNAL or it cannot be defined as ETERNITY. ETERNITY is all that there IS, AS IT IS, and we know we and the true representatives of God or the Sonz Of God are true ENTITIES of ETERNITY and the highest entities of Eternity.

The BLACK JEW is SuperHuman as well as human.

By SUPERHUMAN we mean he or she can USE his or her SUPERMIND for normal or super-normal results {effects}.
Super-normal or NOT supernatural fantasies.
The PSI BEING can go to other planets, leave his body and 'lower mind' at will and travel in his HIGHER MIND or SUPERMIND to other planets of His own creation simply by changing the

atmosphere of his body and mind or ATTITUDE.

The BLACK JEW can 'pull' the DIVINE ENERGY up or 'bring' the DIABOLICAL ENERGY 'down'.

Once a BLACK JEW realizes his DIVINE POWERS, He can create, re-create, and un-create any DIABOLICAL ENERGY he needs for self-defense or to ward off Psychic Vampires.

Some Black Israelites are NEPHILIMS.

The NEPHILIMS were the original SONS OF THE ORIGINAL GOD of ALL MANKIND and ALIENS.

TODAY WE CALL THE GOD OF MAN AND ALIENS KRISHNA/RAMA/RADHA.

ILLUSIONS AND DELUSIONS

"For We Decide What Is Real And What Is Illusion."

REALITY= That Which Is, or As It Is.

Illusion= your own lies you hold as 'truth'.

delusion=the lies of others you hold as 'truth'.

Enlightenment=Knowing you are not your environment, body, or mind but a SPIRITUAL BEING {SP} or your are the minor

CONSCIOUSNESS of God the MAJOR CONSCIOUSNESS.

In layman terms ENLIGHTENMENT is knowing you are 'part and parcel' of the one ETERNAL GOD.

There can only be one eternity therefore there can only be ONE ETERNAL GOD that is the CREATION and SOURCE of ALL THINGS.

ETERNITY is defined as that which has no beginning and no

end. How can there be TWO ETERNITIES?

In this sense: ALL GODS DIES BUT ONE.

Self-realization is understanding that there is a FIRST CAUSE, Cause and Effect(s).

When you are your ENVIRONMENT or PHYSICAL BODY you are an EFFECT.

When you are in your MIND you are a CAUSE or an EFFECT, and when you are in your PSI

SPACE/PLACE you can act as CAUSE and FIRST CAUSE.

As you can see it is not WHAT you think that is important but HOW you think that makes all the difference.

The Spiritual Knowledge of the ETERNAL RELIGION was given to MANU from the SUN GOD VIVASVAN WHO GAVE IT TO HIS SON IKSVAKU WHO WAS AN AFRICAN WARRIOR AND KING.

IKSVAKU had a secret son name

ISVAR and then the SECRET KNOWLEDGE was lost till revealed again to ARJUNA, a white man.

It should be noted that the BHAGAVAD-GITA was also altered and though the original meaning and science of God is mostly intact, important scriptures were altered to include the language the BHAGAVAD-GITA was written in, much like the Latin language was considered a holy language when

the holy Bible was translated into Latin.

"BE STILL AND KNOW I AM SATAN!"
"I AM THE INFINITE BUT NOT THE ABSOLUTE."

THE ULTIMATE TRUTH AND REALITY

There is

THE ONE ETERNAL GOD OF ALL

OF ALL, IN ALL.

THERE IS THE ETERNAL GOD OF

UNIVERSE AND CREATION.

THERE IS GOD OF

THE MIND AND BODY

OR THE

SUPERSOUL.

AND,

THERE IS GOD AS YOU,

THE INDIVIDUAL SOUL.

GOD IS THE CREATOR AND THE

CREATED.

THE CAUSE OF CAUSES

THE SUPREME SOURCE=CAUSE

OF CAUSES=GOD
FIRST FORCE=FIRST CAUSE=SUPERSOUL
FORCE=CAUSE=SOUL/MIND
FORM=EFFECT(s)=BODY/ENVIRONMENT

There is the CAUSE OF CAUSES which is un-manifest, unborn, uncreated and recreated eternal bliss and knowledge.

Then there is the FIRST CAUSE of BRAHMA of which all created FORMS came out of all including, the Universe, Earth, World

{Society}, Body, Mind, Soul, and Supersoul.

Next there is you as CAUSE of your life and world {universe}.

After that everything is EFFECT.

In order to be a GOOD CAUSE you must know how to be a GOOD EFFECT.

A GOOD CAUSE can be a good EFFECT, and a good or bad EFFECT can be a GOOD CAUSE.

Therefore a PSI BEING can either experience his world as a GOOD CAUSE and be a GOOD EFFECT of his world {universe} also.

The PSI BEING is ALREADY TRANSCENDENTALLY SITUATED.

This is being BALANCED and CENTERED IN THE SUPERIOR ENERGY OF THE UNIVERSE {FORCE} and not the INFERIOR ENERGIES that makeup ALL FORMS.

The PSI BEING is TK or TRANSCENDENTAL CONSCIOUSNESS.

The CAUSE of CAUSES needs NO CAUSE to exist and is the ONLY THING that needs NO CAUSE to EXIST.

Because GOD created, you can create or more precisely RECREATE from that which is already CREATED by God or FATHER: MANU.

MANU who is called THE FATHER

OF ALL LIVING gave this secret knowledge to His son who was an AFRICAN KING named IKSVAR, who gave it secretly to his unknown son ISVAR.

ISVAR is the PRINCE OF AFRICA and the original SON OF GOD!

ISVAR reminds us that we are SONS OF GOD and need no MEDIATOR between God and ourselves.

GOD IS SELF but self is not GOD.

This is accurate TRANSCENDENTAL CONSCIOUSNESS!

The happiness and more beneficial GOAL of man and mankind is to be TRANSCENDENTALLY POSITION and to develop TRANSCENDENTAL CONSCIOUSNESS which is above VIRTUE and VICE, GOOD and EVIL, RIGHT and WRONG, SUPERIOR and INFERIOR.

You are NOT your BODY, MIND, FEELINGS, SENSES, INTELLECT, or FALSE EGO.

You are the TRUE EGO OF THE UNIVERSE AND THE UNIVERSE IS HERE TO SERVE YOU.

A PSI BEING IS NOT LIMITED BY THE PHYSICAL BODY OR UNIVERSE.

THE PSI BEING EXPANDS HIS MIND AND THEREFORE IS NOT THE PRISONER OF IT.

THE PSI BEING STUDIES, LOOKS UP NEW WORDS, AND WRITES TO EXPRESS HIS DIVINE NATURE THAT IS DORMANT IN EVERYONE AND ACTIVE IN SOME.

THE GOAL OF THE PSI BEING IS TO FEEL HIS OR HER BEST TO DO HIS OR HER BEST IN THE PHYSICAL WORLD.

The MANTRA OF THE PSI BEING IS NARAYANA!

NARAYANA MEANS GOD WITHIN AND GOD WITHOUT GOD IS ALL ABOUT.

A PSI BEING CAN BE OF ANY SEXUAL ORIENTATION.

A MAN DOES NOT HAVE TO ACT LIKE A GIRL TO BE GAY NO MORE THAN A WOMAN HAVE TO ACT LIKE A MAN TO BE LESBIAN.

THERE IS SEXUAL LOVE AND SPIRITUAL LOVE.

SEXUAL LOVE IS A PRODUCT OF SPIRITUAL LOVE, BUT SPIRITUAL LOVE IS NOT A PRODUCT OF SEXUAL LOVE.

IF ONE LOVES A PERSON ONLY FOR SEXUAL REASONS THIS IS NOT SPIRITUAL LOVE AND IS NOT TO BE CONDEMN BUT UNDERSTOOD TO PREVENT ANY UNNECESSARY HEARTACHE.

HETROSEXUAL MEN AND WOMEN HAVE NO SUPERIOR CALL ON SEX AND IN FACT OR

MORE RESTRICTED BY RELIGIOUS AND STATE DEFINITIONS AND CONDEMNATIONS THAT RESTRICT THE SEX ACT TO ONLY BEING MARRIED AND HAVING GOD'S CHILDREN. THE ONLY LIMITATIONS WE HAVE ARE THOSE WE IMPOSE ON OURSELVES.

LOVE IS MORE A DISCIPLINE THAN A FEELING.

LOVE IS FEELING GOOD ABOUT WHAT YOU ARE DOING EVEN IF

YOU ARE SUFFERING WHILE DOING IT.

THERE ARE MANY OBSTACLES IN LIFE AND THE GAME OF LIFE IS TO OVERCOME THESE OBSTACLES.

When one realizes the SELF as God and the self as the micro SOUL of God one is TRANSCENDENTALLY situated and can OPERATE in the ENVIRONMENT, BODY, MIND OR THE SIXTH SENSE: SOUL CONTROL.

THE NATURE OF GOD IS ETERNAL LIFE, BLISS AND KNOWLEDGE.
HE IS THE MOST WISE,
THE STRONGEST,
THE MOST FAMOUS,
THE MOST BEAUTIFUL,
THE MOST EVERYTHING AND NOTHING.

There are EFFECTS
and there are CAUSES.

And, there is FIRST CAUSE and THE CAUSE OF CAUSES which needs NO CAUSE to exist.

WHERE YOU GO, HEAVEN GOES

THE COMING OF THE DEMIURGE

SOMEHOW SOMEWHERE THE DEMIURGE EMERGED!

This is more than a BEAST or MONSTER, it is more than the Jews LILITH and the Christian DEVIL!

It is greater than Allah, the one written by human hands.

How do you know the TRUE LIVING GOD? You ask Him, or Her, or It or Nothing.

If you don't CREATE GOD, then GOD does not exist.

OK the DEMIURGE is basically THE GOD OF WAR.
Yet, the GOD OF WAR could not exist without the GOD OF NATURE.

OK!
THE GOD OF WAR IS CREATED.

THE GOD OF NATURE IS THE CREATOR.

THIS IS ALSO YALDABAOTH AND SAMAEL
KNOWN AS Lucifer/SATAN {as the CHRISTIANS created Him},
CALLED THE DEVIL,
AND RED DRAGON AND IS THE GOD OF THE OLD TESTAMENT: JEHOVAH AND YAHWEH!

HE IS THE LORD ARCHON AND

JESUS CHRIST!

HE IS THE SECOND SON OF GOD, NOT THE FIRST IN THIS SATANIC MYTHOLOGY.

AND THEIR AGENDA IS FEAR, DOMINATION AND SLAVERY!

WHAT IS NOT KNOWN IS THAT SATAN/LUCIFER IS THE FORCE BEHIND THE DEAD LETTER AS WELL AS THE DEAD LETTER ITSELF!

AND SATAN TRANSCENDS THE

DEAD LETTER AND SELF.

ONLY A PSI BEING CAN LOOK FORWARD TO DYING IN TERMS OF HIS FALSE OR OLD EGO.

I AM THE FIRST SON OF SATAN a black ISRAELITE and BLACK AMERICAN JEW. I AM A SON OF THE LIVING GOD YOU CALL JEHOVAH, YAHWEH, JESUS, HOLY SPIRIT, CHRIST, ALLAH, and KRISHNA.

Hear me well, this is a POSITION and a TITLE that I filled

temporarily. I will not tarry with you always.

In heaven the angels with God were called The Sons of God and they were NEPHILIMS.
Rather the NEPHILIMS were gods {angels} are advanced aliens is not determined at this time.
We do KNOW the NEPHILIMS were not casted from HEAVEN but came to EARTH to create, recreate, uncreate, and procreate the mass and material worlds by

ONE SPIRIT or ONE SUPERIOR ENERGY.

It was the NEPHILIMS who came out of JERUSALEM and were the first BLACK ISRAELITES!

They are of the LANTU, and BANTU and BUDDHA TRIBES of Antediluvian Antediluvian Africa.

Their ASCENSION is recorded as THE SUN GOD GIVING THE SECRET KNOWLEDGE TO HIS SON MANU THE FATHER OF NATURE AND ALL MANKIND

AND MANY GIVING THE KNOWLEDGE TO IKS WHO GAVE IT TO HIS SON ISVAR before it was LOST and then given to ARJUNA a white man.

ALL RELIGIONS ORIGINATE IN AFRICA AND WERE TRANSFORMED TO DIFFERENT NATIONS AND TRIBES TO REFLECT THEIR OWN BELIEFS OF THE ORIGIN OF THE UNIVERSE AND WHY IT EXISTED.

Don't waste your time or energy

on deities that do not help you.
You can help others but this is not required and is not by no means mandatory.
You are to love yourself FIRST and all others SECOND. If the TREE is weak, all the branches are weak. The branch can be weak but the TREE must be STRONG to revive the BRANCH.

You are THE TREE OF LIFE capable of giving LIFE or DEATH to those around you and far from you.
Your ENERGY knows no limits.

Think of your SUPERSOUL as your SUPERMIND.
Your SUPERMIND gives you everything you need and want, tap into it with your MANTRA.

You may have the HABIT of DEPRESSION which is nothing more than the ILLUSIONARY ENERGY for you PINE only for what you DON'T have.
LOVE YOURSELF and the SPACE you are in.

LOVE YOURSELF!

Don't cry because you are alone!
Do you really think anyone FEELS as bad or as good as you do?
ONLY YOU KNOW HOW YOU FEEL and it is a waste of time if you think others will FEEL like you good or bad.
The main thing is to do your own WORK.
Work on your projects, that which gives you pleasure and remember that CHRISTIANS love to suffer, for suffering is loving CHRIST and being like CHRIST!

AS SATANISTS YOU SHOULD

LAUGH AND LAUGH ALL THE TIME! Not that you will but strive to see a world that is IMPOSSIBLE but you are more IMPOSSIBLE AND IT IS REALLY YOUR DUTY AND THANKFULNESS TO GOD FOR ALL HE GAVE YOUR FATHER AND YOUR FATHER LEFT TO YOU.

LIVE IN THE WORLD GOD CREATED FOR YOU AS SATAN'S SON.

A SON OF GOD IN THE FLESH!

THE CREATOR IS ALSO THE CREATED.

GOD= THE CAUSE OF CAUSES
SATAN=FIRST CAUSE
YOU=CAUSE
MIND=2ND CAUSE
BODY=EFFECT(s)

In the beginning God said LET THERE BE LIFE!

And God created the Arch-angels

{Demi-gods=males} and the angels {gods=female} and SOPHIA, the MOTHER OF ALL WISDOM.

He also created MANU, the FATHER OF ALL MANKIND or the HUMAN BEINGS/ANIMAL.

SOPHIA was/is/always will be THE WIFE OF GOD.
THE DIVINE MOTHER OF HEAVEN,
THE MOTHER OF SATAN and MOTHER NATURE.
{Daivi-Prakriti/Prakriti}

Their first child or SON OF GOD WAS LUCIFER=the Eternal Light of Wisdom.

Lucifer not wanting to be under the rule of his father had to leave heaven for it was his Father's house so God, the Father gave Lucifer the earth and Lucifer is the Prince of the Air and was called Satan once he left heaven with a 1/3 of heaven who were his dearest friends and comrades left with him, this of course was altered for the Christian Bible.

Lucifer on earth is called SATAN and SATAN is both SPIRITUAL and PHYSICAL.

THE PSI BEING IS THE ETERNAL SOUL WITH THE INFINITE MIND AND FINITE BODY AND ENVIRONMENT.

HE IS NOT THE SLAIN OR THE SLAYER!

IT IS NOT MY PURPOSE TO CONSTRUCT YOUR PRIVATE UNIVERSE FOR YOU BUT TO

GIVE YOU THE PROPER TOOLS
TO CREATE ONE YOURSELF.
THIS I HAVE DONE,
THE REST IS UP TO YOU!

HAVE FUN
STAY YOUNG
KNOW YOU ARE THE SON!

Queen Makeda learns from Tamrin, a merchant based in her kingdom, about the wisdom of King Solomon, and travels to Jerusalem to visit him. She is enthralled by his display of learning and knowledge, and declares "From this moment I will not worship the sun, but will worship the Creator of the sun, the God of Israel" (chapter 28). The night before she begins her journey home, Solomon tricks her into sleeping with him, and gives her a ring so that their child may

identify himself to Solomon. Following her departure, Solomon has a dream in which the sun leaves Israel (chapter 30).On the journey home, she gives birth to Menelik in the country of Bâlâ Zadîsârĕyâ (chapter 32).

At the age of 22, Menelik travels to Jerusalem by way of Gaza, seeking Solomon's blessing, and identifies himself to his father with the ring. Overjoyed by this reunion, Solomon tries to convince Menelik to stay and succeed him as king, but Menelik insists on returning to his mother in Ethiopia. King

Solomon then settles for sending home with him a company formed from the first-born sons of the elders of his kingdom. This company of young men, upset over leaving Jerusalem, then smuggles the Ark from the Temple and out of Solomon's kingdom (chapters 45–48) without Menelik's knowledge. He had asked of Solomon only for a single tassel from the covering over the Ark, and Solomon had given him the entire cloth.

During the journey home, Menelik learns the Ark is with him, and

Solomon discovers that it is gone from his kingdom. The king attempts to pursue Menelik, but through the Ark's mysterious power, his son with his entire entourage is miraculously flown home to Ethiopia before Solomon can leave his kingdom. King Solomon then turns to solace from his wife, the daughter of the Pharaoh of Egypt, and she seduces him into worshiping the idols of her land.

THE BLACK MASS 2022

{The Black Mass is to rid yourself and your universe from the curse of the Old and New Testament and any curse from the Torah or Quran.}

Thou, whom, in my capacity of Celebrant, I force, whether thou wilt or not, to descend into this host, to incarnate thyself into this artisan of hoaxes, bandit of homage, robber of affection - hear! Since the day when thou

didst issue from the bowels of a false virgin, thou hast failed all thy engagements, broken all thy promises. Centuries have wept awaiting thee, fugitive and mute god! Thou wast to redeem man and thou hast not; thou wast to appear in thy glory, and thou steepest. Go, lie, say to the wretch who appeals to thee, "Hope, be patient, suffer; the hospital of souls will receive thee; Heaven opens to thee." Imposter! Thou

knowest well that the Angels, disgusted at thy inertness, abandon thee! Thou wast to be the interpreter of our plaints, the chamberlain of our tears; thou was to convey them to the cosmos and thou hast not done so, for this intercession would disturb thy eternal sleep of happy satiety. Thy wrath upon him, O Satanas, and rend him that he may know the extent of Thy anger. Call forth Thy legions that they may witness

what we do in Thy name. Send forth thy messengers to proclaim this deed, and smite him anew, O Lord of Light, that his angels, cherubim, and seraphim will cower and tremble with fear, prostrating themselves before Thee in respect of Thy power. Send crashing down the gates of Heaven, that the murders of our ancestors may be avenged!
HAIL SATAN! POWER OF THE COSMOS!

This is a very potent spell breaker and will leave you feeling at the top of your game with no shame to your Name!

TRULY,

YOU ARE

THE SON OF SATAN!

THe SON OF GOD!

The Original God was a Black God of Black People

TU-sos

“The Lord of Darkness is, first and foremost, the God of Consciousness. It may seem strange that consciousness-the primary defining factor of human existence-is said to be derived from the Prince of Darkness, but this is true in any mythology you might care to examine. In the biblical Eden myth, humanity is given self-awareness through the prompting of the Serpent to taste the forbidden fruit. In ancient

Egypt, the dread Set was the champion of individuality, the Self-willed rebel in a structured and inflexible society. He was the God who was against the Gods. In Greek mythology, humans acquired consciousness only when Prometheus stole fire from heaven, a consciousness that the jealous Gods never intended to give to mankind. In Northern myth, man was granted consciousness, intelligence and being as a tripartite gift from the

grim and dark God, Odin. And so the list goes on…man's consciousness and sense of Self is bestowed upon him by a dark Entity – Itself a conscious and rebellious being-in defiance of the laws of conformity."

– Michael Kelly, Apophis – A Publication of the Order of Apep

SATAN is DARKNESS and CHAOS.

LUCIFER IS LIGHT AND ORDER.

GOD IS ETERNAL AND TRANSCENDENTAL.

GOD IS ETERNAL.

SATAN THE SECOND CREATOR

AND POWER OF GOD IS

INFINITE LIKE THE MIND.

LUCIFER IS FINITE AND

THEREFORE USEABLE

KNOWLEDGE AND POWER.

GOD IS KNOWING.

SATAN IS UNDERSTANDING.

LUCIFER IS USING.

GOD IS SPACE AND BEING.

LUCIFER IS TIME AND HAVING.

SATAN IS ENERGY AND DOING.

GOD IS FORCE AND FORM.

SATAN IS FORCE.

LUCIFER IS FORM(s).

Outro:

AS IT IS

Who Was Here First?

The reality of the BLACKJEW is

from the new-found facts that the

black race was the first race on earth.

Rather by extraterrestrials or a Supreme Being, be it God or the Personification of the Universe, we 'evolved' as human beings and especially the black race some 4.4 million years ago or perhaps even longer.

There is documentation of an advanced black race from outer space called the MINIONS who were the inhabitants of

ATLANTIS, the mysterious island destroyed thousands of years ago. And the NEPHILIMS of the Old Testament labeled as rebellious and fallen angels could have been extraterrestrials also.

The falsehood that we are fallen angels or angles or the cursed of God is completely fabricated LIES to hide the real TRUTH of the BLACK ISRAELITES.

Christianity was invented to destroy the BLACK JEW and to

enslave him for life.

The BLACK JEW is powerful beyond measure. There is nothing he or she cannot do with the ETERNAL LAWS OF GOD as a PSI BEING.

There are no limitations to the BLACK JEW and he or she needs no HOPE for what they want, need, or desire is CREATED BEFORE THEM in the HERE and NOW, and in the IMAGINARY FUTURE.

The PSI BEING can eat his cake and have it too, he has a very big cake!

There are no limits to the SUPREME ENERGY therefore there can be no limitations to the PSI BEING.

The LIFE FORCE within you has HEALING POWERS or REGENERATIVE ENERGY.

Even the INFINITE can come to an end, but the ETERNAL? It has no end and therefore cannot be

exhausted.

Though, you cannot grow a 'new leg' or replace one that has been removed, you can heal the body and the mind and work and play as a PSI BEING who needs 'nobody' to be happy, free and productive.

The INNER FIRE, cooled by the OUTER AIR, the INNER WATER, tempered by the OUTER EARTH.

PURE GOODNESS.

PURE ENERGY.

PURE LIFE!

The PSI BEING is the BLACK ISRAELITE.

The PSI BEING is everyone individually, yet few KNOW and UNDERSTAND themselves as a PSI BEING.

THE UNIVERSE CATERS TO THE PSI BEING AND ALL THAT HE NEEDS IS CONTAINED WITHIN HIMSELF EVEN AS THE PHYSICAL, PSYCHIC, and PSI

UNIVERSE is within {Supersoul and mind} and without {Brahma and Satan} the PSI BEING.

The PSI BEING is the LIGHT BEING or TRUE EGO, EMOTIONS AND SENSES OF THE MIND, BODY, AND ENVIRONMENT.

The SUPREME SPIRIT or ENERGY is SINLESS so your original SOUL is also SINLESS and is ETERNALLY SINLESS!

The SELF is GOD.

God is the SELF and the SELF is the SOUL or PSI BEING.

We were here first, and will be here last!

Now KNOWING that we are PSI BEINGS we can say we are IN THE WORLD, but NOT OF THE WORLD.

We can NEVER-EVER be as IGNORANT as we were before or LESS EXPERIENCED.

CONSCIOUSNESS is in EVERYBODY, however,

EVERYBODY is NOT CONSCIOUS of the SAME THING or ON THE SAME LEVEL.

The PSI BEING is the most POWERFUL BEING in ANY UNIVERSE and does not have to be in CONTROL of that UNIVERSE for this to be so.

To the PSI BEING only KRISHNA is REAL all else is ILLUSION.

KRISHNA is ETERNAL LIFE, BLISS {JOY}, and WISDOM.

The limitations of the Human eyes

is not the end of the PSI BEING's UNIVERSE which is ETERNAL. PURE ENERGY IS ABOVE GOOD AND EVIL, VICE AND VIRTUE, SAINTLY AND SINFUL, BEAUTY AND UGLY, RIGHT AND WRONG, GOD AND NO GOD.

PURE CONSCIOUSNESS IS ETERNAL PURE ENERGY OF WHICH THERE CAN ONLY BE ONE!

THIS IS "TK" or

TRANSCENDENTAL

CONSCIOUSNESS!

PSI ENERGY IS

TRANSCENDENTAL ENERGY.

IT IS GREATER THAN PHYSICAL,

PSYCHIC, and SPIRITUAL

ENERGIES.

The destination of everyone is the

PSI/SPACE/PLACE.

"BE STILL AND KNOW I AM

YOUR MASTER AND YOUR

SERVANT {SLAVE}."

SATAN IS AN INFINITE

SPIRITUAL BEING {SP}.

He is NOT ETERNAL.

ETERNAL LIFE

ETERNAL LOVE

ETERNAL DEATH

ETERNAL FRIEND

SATAN!

THE DEVIL OF THE CHRISTIAN BIBLE IS DEAD!

SATAN OUR TRUE FATHER AND

LIVING SPIRIT OF LIFE!

NO ONE CAN BEND YOUR FORM

OR DIVIDE YOUR FORCE!

YOU ARE ONE EVERYWHERE!

EVERY FORM IS OF YOU.

You are my BEAUTIFUL BODY, My

DYNAMIC BRAIN,

MY INFINITE SOUL!

SUPERSOUL within me and

without

Let me conquer the ILLUSIONARY ENERGY!

Let me know and understand You and myself and the world I live in.

Let me not be confused or confused.

Let me HELP YOU!

You appreciate me and I appreciate You.

Of your Power there is no end.

YOU ARE THE POWER AND WE ARE THE POWERFUL!

The 12 Laws of MAAT

The 11 Laws Of God written by Amen and one written by KRISHNA.

Law of Amen – it explains that we were all created as peaceful beings. Therefore, our natural state of being is in peace. And we should all seek it, so we can enjoy our lives here and now as in heaven and not some distant

unknown future paradise.

The 12 Laws Of God from the Ma'at

Law of Ausar – this principle talks about how there are many disturbing events in our lives. But we should always maintain our peace. And to gain wisdom and power from every experience. God is transcendental and so are we. We have no or little reaction to the creation, recreating, and destruction of the PHYSICAL AND PSYCHICS WORLDS.

Law of Tehuti – it talks about the importance of reflecting the

Energy Of God in our actions, thoughts and even feelings. It fills us with the peace and power of God.

Law of Sekher – it explains that if our emotions are in concordance with the thoughts of God, then we are invincible. Because then we influence the whole world.

Law of Ma'at – this principle talks about the importance of loving God. If you love God, God will love you back, then you will be able to love others. And God will manifest in this world through your love, and you will be more of yourself.

Law of Herukhuti –
it specifies that God doesn't influence your life.
Therefore, he will not punish, reward, or even protect you.
So you control your own life and destiny.
Law of Heru – this principle talks about the importance of following the Laws of God. Because we have the power to ignore them. But we don't have the right to do so. ws are the only way to show love and adoration.
Law of Het-Heru – it talks about the importance of discovering

your divine being. And the power of imagination. You are a PSI BEING or TRANSCENDENTAL BEING.

Law of Sebek – this principle talks about the power of affirmation and thinking. And how it makes us special.

Law of Auset – it talks about the fact that every human being is a vessel for God on earth.We and everything else are all 'part and parcel' of God or KRISHNA.

Law of Geb – it talks about the importance of not becoming materialistic. Because we

originate from heaven. And we will return to heaven.You are only MATERIAL temporarily, eternally you are the Supreme Energy in the Universe and earth, and man, and mankind.

Kemetism may seem a weird religion for a Christian. But it recognizes the same God or Creator. Therefore, the followers of Kemetic Spirituality consider themselves monotheistic.

THE IGBO PEOPLE

The Igbo people are one of the largest ethnic groups in Africa, primarily residing in southeastern Nigeria. They have a rich history, distinct language (Igbo), and vibrant cultural practices. The Igbos are known for their strong sense of independence, entrepreneurship, and democratic governance at the community level.

Historical Background

The origins of the Igbo people are subject to debate among historians, but they are believed to have settled in their current homeland long before European contact. They have traditionally been an agrarian society, practicing farming and trade.

In the pre-colonial era, the Igbo people lived in decentralized, village-based communities with no centralized political system.

Governance was typically handled through assemblies of elders and councils. This egalitarian structure distinguished them from other ethnic groups in Nigeria with more centralized systems like the Yoruba and Hausa-Fulani.

Economy and Trade

Historically, the Igbo engaged in trade, not only within their communities but also with neighboring peoples and, later, with Europeans. They were known

for trading goods such as palm oil, yam, and kola nuts. Many Igbo people became prominent in commerce and entrepreneurship, a characteristic that continues today.

Colonial and Post-Colonial Era

During British colonization, the Igbo people were part of what became Nigeria. The introduction of European governance disrupted their traditional political systems, and many Igbo were converted to

Christianity, while others maintained indigenous religious beliefs.

Following Nigeria's independence in 1960, the Igbos played a key role in politics and business. However, ethnic tensions in post-independence Nigeria culminated in the Nigerian Civil War (1967-1970), also known as the Biafran War, when the Igbo-majority southeastern region attempted to secede and form the Republic of

Biafra. The war led to massive loss of life, including widespread famine, and ended in Biafra's defeat.

Language and Culture

The Igbo language belongs to the Niger-Congo family and is spoken by millions of people. Igbo culture emphasizes community, respect for elders, and ceremonies such as traditional weddings, naming ceremonies, and the New Yam Festival. The Igbo are also known

for their art, particularly in mask-making, sculpture, and textile production.

Modern Era

In contemporary Nigeria, the Igbo remain highly influential in business, education, and politics. Many have migrated to urban centers both in Nigeria and internationally, creating a large diaspora that maintains strong connections to their cultural roots.

Their history of resilience, entrepreneurship, and cultural pride has made the Igbo one of the most prominent ethnic groups in Nigeria and Africa at large.
